rise the diocess are without episcopal superision. The Bishop of Mauritius left his diosus some months ago, and has now settled
own in England upon the archdeaconry of
affolk and the rectory of Thwaite. Meanhile, again, the islands of Mauritius and its
ependencies, which form the see, remain

The Bishop of Mauritius left his diocular formula "I demand a poli" was not
gone through with.

The Abston paper says that there are on
the little Island of Campo Bello, near Eastport,
Maine, no less than sixty dry goods establishments. The number is probably exaggerated,
as the island is bardly big enough to hold so
we have heard none till lately from Newfoundlately form Newfoundindefinitely postponed.

Buckwheat, 70 o 80 "

The American papers speak hopefull
of an early return of prosperous business, and
coming from different portions of the world,
as the island is bardly big enough to hold so
we have heard none till lately from Newfoundindefinitely postponed. About any spin-color mention is sade of Dr. Ryan's successor. The bishopric of New Westminster, which was announced many months ago as in course of formation to object to the election.

Newtoundland, lately come to nand, contains the relator gave any public notice of his it an evidence of fraud. The business done by these establishments is said to interfere perceptibly with the demand for American manufactured goods in all the adjacent section of country.

Newtoundland, lately come to nand, contains one or two letters in which the state of, matters in some parts of the island is represented as deplorable. In a place called Greenspond, it seems a man and his wife were frozen in bed it seems a man and his wife were frozen in bed it seems a man and his wife were frozen in bed it seems a man and his wife were frozen in bed it seems a man and his wife were frozen in bed it seems a man and his wife were frozen in bed it seems a man and his wife were frozen in bed it seems a man and his wife were frozen in bed it was not until the polling day that the relator gave any public notice of his is an evidence of fraud. The business done by these establishments is said to interfere perceptibly with the demand for American manufactured goods in all the adjacent section one or two letters in which the state of, matter in some parts of the island is represented as deplorable. In a place called Greenspond, it seems a man and his wife were frozen in bed it seems a man and his wife were frozen in bed it seems a man and his wife were frozen in bed as deplorable. In a place called Greenspond, it seems a man and his wife were frozen in bed it was not until the relator gave any public notice of his its an evidence of fraud. The business done in the relator gave any public notice of his is an evidence of fraud. The business done in the relator gave any public notice of his intention to object to the election.
