Coming Again.

"General" O'Neil is stumping the West for the purpose of stirring up the Fenians to make another raid on Canada. He was in Chicago the other day, and the Post thus speaks of his visit:

"The excitement was intense, and did not subside until Gen. O'Neil stepped forward and commenced his speech, which was an urgent appeal to Irishmen to enroll themselves again, ready to march at once upon Canada. In appealing to them to take the field he said :—We are ready to place our army in the field. Are you men of Chicago ready? (Cries of "Yes," "Yes.") Then, if you are when next we unfurl the green flag it shall not be furled again, and we shall not come back. Shall we give up the cause because we did not succeed in June 1866? The men who think so are not fit to take part in such a movement, and the sooner they leave our ranks the better. We want men who will not give up, even though defeat and disaster stare them in the face.

In conclusion, the speaker said that the question was to be tested, and the names would be enrolled to such as were ready and willing to join the army at once. How many are there here who are willing to go with us immediately? (At least 400 hands were raised.) Such as shall not enroll themselves we want to form into a civil organization to take care of the wives and children of those who go. Then all who wished to enroll their names were directed to repair to the Fenian muster-room, and the audience dispersed.

Throughout the West the ruffians appear to be making preparations for a repitition of their foolish attempt in June, 1866. We must be prepared for them.

The Cornwall Burglars.

HIGH PROFESSIONALS ENGAGED.

Cornwall, April 24.

The four men arrested by Dr. Allen last Sunday, on a charge of robbing Mr. Mattice's safe, turn out to be one E. Innis, who was one of the parties that robbed Lord's office, in New York, some two or three years ago. There is a standing offer of $20,000 reward for his apprehension. Frederick H. Bamburgh who calls himself Belmont, is wanted for a large robbery of diamonds from a large residence in Madison avenue, New York. The others are well known to the police, both in Canada and the United States.

An American in London lately said to an English friend: "Just now, I passed Lord A— [probably meaning Lord Aberley] in the street. You remember how civil and attentive I was to him in New York. He told me before he left America that whenever I came to England I was to be sure and call upon him. Well, he met me down at the corner there, by Berkeley street, looked me full in the face, and walked on—cut me dead. Would you believe it?" "Believe it!" replied his friend, "of course I would. If you would be of any use to Lord A—— here, he would not cut you. But the tables are turned, He may be very glad to meet you in Broadway, but Piccadilly is a different thing."

THE NEW MACHINE AT THE "TIMES" OFFICE.—Much anxiety, mystery and secrecy has been manifested with regard to the performances of the new printing wonder at the "Times" office; the strictest surveillance is exercised towards all likely to approach it; the parties working it are entire strangers to the establishment, and no communication of any sort is allowed to be held with them. After many experiments, alterations and improvements, it has at length been set to work, and the result has been highly satisfactory to all concerned. It throws off about 23,000 perfect copies per hour, which is 46,000 impressions from stereotype plates worked on turtles on the rotary principle; it makes very little waste, keeps perfect register, and altogether bids fair to prove an excellent machine. It is reported that some of Marinoi's French perfecting machines are also to be tried at this establishment shortly.—Press News.

NEWS OF THE DAY.

WEDNESDAY MORNING, APRIL 29, 1868.

ESCAPE OF A LUNATIC.—Some time during Monday night last, one of the inmates of the Rockwood Lunatic Asylum made his escape by breaking the panels of his cell door, thus gaining entrance to the dining-room. A second door, which led to the yard, shared the same fate, and when once in the yard he easily made his escape, there being no guards outside. The convict is about six feet in height and had on the clothes worn by the inmates at the time of his escape.

NOTE.—Since the above was written the convict has been re-captured on Mr. Stewart's farm, near Cataraqui Creek, lying on some straw, from which position he was aroused by a dog belonging to the guards engaged in the search after him.

MARKET TOLLS.—The Tolls of Markets Nos 1, and 2, were leased by the City Council on Monday night for one year from May 1st. Mr. D. Donoghue, a former lessee, is to pay $2,301 for the tolls of No. 1. Market, and Mr. Wm. Draper is awarded No. 2. Market for $967; total $3,268—an amount of $43 over last year, and $268 over 1866. This shows that the value of the Market is still increasing.

LA CROSSE.—The Ottawa La Crosse Club are practicing with a tremendous energy for their great match with the Montreal La Crosse Club, to come off on the 24th of May. They deserve praise for their courage in fighting the crack Montreal Club.

The Kingston La Crosse Club are practicing zealously, and may be expected to render a good account of themselves this season. A match will doubtless be improvised for the coming Anniversary of Her Majesty.

The Lord Bishop of Ontario held a confirmation at St. Albans, Ottawa, on Sunday last.

The Rev. Wm. Morley Punshon, the celebrated London Divine, preached on Sunday evening in the Wesleyan Methodist Church, Montreal, to a very large congregation.

KINGSTON CRICKET CLUB.—Arrangements for matches are being made with the following Clubs:—Picton, Oswego, Toronto, Belleville, Port Hope, Cobourg and Ottawa. The four last will be foreign matches. The first match will be played in Kingston on the 15th proximo.

COUNTY OF ADDINGTON.—An Agricultural Society, under the new Act, was organized at Harrowsmith on Monday. J. D. Ham, Esq., of Newburg, was elected President; S. Shibley, Esq., of Portland, was chosen Vice-President; and Mr. —, Aylesworth, of Newburg, was appointed Secretary and Treasurer.

☞The Fenian Kelly, the Fenian leader, whom Allen and his companions rescued from the police at Manchester, England, arrived in New York.

WHO IS IT?—At the great Fenian powwow in Detroit on Friday evening, says the Post, "an aged Canadian from Kingston, Ontario, advanced to the front and amid great enthusiasm handed the secretary $10 to be given towards the cause."

POLICE COURT, Tuesday.—Archy Buchanan, up on his old charge, was sent to gaol for ten days, to enable him to go washed and cleaned up. This was the only case.
