Mr. Masson (Terrebonne) said he had been favorably disappointed by the Bill of the Minister of Militia. The idea had gone abroad that the Minister of Militia had the a standing army. He was glad this had urned out to be incorrect, and that, instead of having a general conscription, the coneription was to be limited to 40,000 men. He was glad, also, that ideas had changed in England with regard to the force we ought to maintein. A few years ago, the Imperial Government insisted that the late | Canadian who saw the murder committed, | stone have each a sister a Catholic; the Duke | Province of Canada should have an emwere not so exacting, for we must presume | songra the man who fired the shot.
