NEWS OF THE DAY.

MONDAY MORNING JULY 6, 1868.

DROWNED.—A soldier named Althorn, a bombadier of the Royal Artillery, was drowned on Friday afternoon, while going from Fort Henry to Point Frederick with the dinner of the guard on duty at the latter place. It appears that there were two in the boat, and while shifting the seats it capsized, throwing both the men into the water. The sentry on duty, seeing the accident, at once threw off his coat and belt and swam to the spot. Although he arrived a few seconds after Althorn had sunk, and dived repeatedly, he was unable to discover the body which has not been found yet. The other man reached the shore.

The Japanese Jugglers.

This Troupe finished a most successful Three Nights' Exhibition here on Friday night, drawing a fuller house on the last night than on any preceding night. This terminated Messrs. Doyle & Marshall's Engagement with them. These gentlemen wished to renew the Engagement, but the Japanese said no. So the parties separated, the Japanese going towards New York, by way of the Cape, and Messrs. Doyle & Marshall leaving town by the Grand Trunk.

There was a complaint before the Police Magistrate on Saturday, respecting the non payment of the engagement money by Messrs. Doyle and Marshall, but as there are two sides of the question we shall not interfere.

THE HEAT.—On Friday and Saturday the heat was excessive, and the thermometer ranged many degrees above the usual summer figure in the shade. Life was almost inanimate, and one could almost imagine effects like the following:—

"I saw a roasting pullet sit
Upon a baking egg;
I saw a cripple burn his hand
Extinguishing his leg;
I saw nine geese upon the wing
Toward the frozen pole,
And every mother's gosling fell
Crisped to a cracking coal."

"Plump men of mornings ordered tights,
But, ere the scorching noons,
Their candle-moulds had grown as loose
As Cossack pantaloons!
The dogs ran mad; men could not try
If water they would choose;
A horse fell dead; he only left
Four red-hot, rusty shoes!"

POLICE COURT, Saturday.—Louis Curran, John Williams and Mary Williams (aboriginees), were charged with being drunk. They were fined $2 each. Elizabeth Minard, a respectable looking woman, was charged with the same offence. She appeared to feel her position keenly, and signed an agreement in the magistrate's book to abstain from the use of all intoxicating drinks for twelve months, upon which her husband paid the fine and she departed—it is to be hoped a wiser and a better woman. John Woods was charged by Mary Huelsy with assaulting her on Wednesday last, by striking her on the head with a stick. The case was adjourned until Monday.

A match between the Ottawa La Crosse Club and the Montoalm Club of the same city on Dominion Day, ended abruptly after the former had won two games to one. Some feeling was shewn. Gananoque played Brockville and was beaten. It however had not its full strength.

The New Brunswick Government has decided to rescind the new stampage regulations, which were so much disliked by the people.

The Dominion Government has decided to erect a new Custom House in Montreal, on the east side of McGill street, near the wharves.

The discovery of a new rifle ball, "warranted to pierce through any defence at present known," is announced in Paris.

The medals of the Paris Exhibition have been received at Ottawa by the Department of Agriculture, which will immediately proceed to distribute them to the successful exhibitors.

A meeting of some 60 or 70 dissatisfied bond and stock holders of the G.T.R., was held in London on the 18th ult., at which a resolution was passed calling upon the present board of managers to resign.

A large meeting of the retail grocers of Toronto, in connection with the silver question has been held. Resolutions were passed adopting a discount of 4 per cent. on large, and 10 per cent. on small silver,—the same rates as adopted by the retail dry goods body. Any infringement of the rates to incur a penalty of $50.

BATCHELOR'S HAIR DYE

This splendid Hair Dye is the best in the world.—The only true and perfect Dye—Harmless, Reliable, Instantaneous, No disappointment. No ridiculous tints. Remedies the ill effects of Bad Dyes. Invigorates and leaves the hair soft and beautiful, Brown or Black. Sold by all Druggists and Perfumers, and properly applied at Batchelor's Wig Factory, No 16, Bond street, N. York. 1y11

CALOMEL COMPLETELY SUPERSEDED.

In driving out one disease with mercury you substitute another. When a man is saturated with calomel or blue pill his health is ruined. Who can wonder then at the boundless popularity of Radway's Regulating Pills, which produce all the good results of the corrosive mineral, and entail none of its frightful consequences.

Price 25 cents per box, coated with sweet gum, free from taste. Sold by Druggists.

Philosophy of Marriage.

A new Course of Lectures, as delivered at the New York Museum of Anatomy, embracing the subjects: How to Live and what to Live for; Youth, Maturity, and old Age: Manhood generally reviewed: The cause of Indigestion; Flatulence and Nervous Diseases accounted for; Marriage philosophically considered, &c., &c. Pocket volumes containing these Lectures, will be forwarded post-paid, on receipt of 25 cents, by addressing "SECRETARY, New York Museum of Anatomy and Science, 618 Broadway, New York." 121

HALL'S

Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair, has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* HAIR DRESSING. *It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.

AMERICAN HOUSE,

BOSTON, MASS.

THE very important and extensive improvements which have recently been made in this popular Hotel, the largest in New England, enable the proprietors to offer to Tourists, Families, and the Travelling Public, accommodations and conveniences superior to any other Hotel in the city. During the past summer additions have been made of numerous suites of apartments, with bathing rooms, water closets, &c., attached; one of Tufts' magnificent passenger elevators, the best ever constructed, conveys guests to the upper story of the house in one minute; the entries have been newly and richly carpeted, and the entire house thoroughly replenished and re-furnished, making it, in all its appointments, equal to any hotel in the country.

PLOUGH

FOUNDRY,

Kingston, Ontario.

CHOWN & CUNNINGHAM,

DESIROUS of retaining the liberal patronage hitherto accorded to them by the public generally, beg to intimate that they have lately added several new patterns to their already large assortment of Stoves, and are now in a position to offer their customers, both wholesale and retail, a large and varied stock of

Cooking, Parlor & Box Stoves,

FOR BOTH COAL AND WOOD.

We would particularly solicit attention to our new Parlor and Hall Self-Feeding Coal Stove,

THE ORIENTAL, (Assorted Sizes.)

In which all the good qualities of a base burning Stove are combined. In this Stove, when a fire is once made the work is done for the season; the fire can be kept with great ease from Autumn to Spring. All that is required for the successful operation of the Stove is to replenish with fuel once or twice a day, and to shake the ashes from the Grate and empty the Ash Pan.

We also continue to manufacture Steel and Iron Ploughs, Rollers, Harrows, Cultivators, Lumber Waggons, Iron Sinks, Hollow Ware, Ornamental Railing for Cemeteries, and Castings in general.
