independent of the heat of the weather and the dust and dirt of the Road, In the first place there was to be a Public Breakfast good one, more than a good one, but who at Allandale on the way thither, given by is to gather it in? There are not laborers Mr. Cumberland, Manager of the Northern kind. Had Mr. Comberland confined his invitations to thirty, instead of three bun dred, I should have been as eager to go as I was anxious to stay away. Hesides lasked out, that a grant number of big men, unconnected with the Press, were invited to take front rank at the Breakfast and make a show, the gentlemen of the Prese after record their mayings and doings. Now, I am like the Highland Chief, who, sitting low at a public dinner in Germany. the table, revised haughtily, "Wherever the Glengarry are that is the head of the table." and therefore, wherever I go I take front rank no matter who is present.
