Fire at the Military Cottag

SEVEN HOUSES BURNED.

THE CANADIAN LAW JOURNAL for August. On Sunday evening at about a quarter h eight o'clock, the city was aroused by what EVERY SATURDAY for August 29th. Ticknot of late has been a rare occurrence-a fire alarm. An immense blaze was perceptib in hont of the city, the bright glare rising to a height that has seldom been seen in Kagston. Crowds fushed pell-mell out of house and church to the lower part of the large block in flames. However the exact location of the fire was soon fixed at what are called "the cottages," which are s tusted on the other side of the harbor, on reputation of this Magazine certainly does Point Frederick, almost skirting the water's edge. A splendid sight was presented to the crowds of people who occupie the wharves and railway esplanade. The THE FARMER'S ADVOCATE for September. fir : apread with ourp rising repidity along the row of sixteen houses, and the vivid flames mounted up in the air in firy darte, which, with the effect of the reflection on prise of the proprietors of the T conto the calm, still water, presented a scene Evening Telegraph-Mesers. Robertson & know that the London Times, were pe ple who had to fly from their houses The Telegraph is now to be issued in could not consume two tons of ink with the little all they possessed, and seek an enlarged and improved form, under the week, scarcely a single hundred weight safety in the etreets. The Cottages con- more respectable guise of a morning patained about 50 families of soldiers of the per. We are pleased to witness this latest sign of the constantly increasing prosperity Royal Canadian Rifles, and the commotion the alarm caused can be better imagined than described.

When the fire was first perceived the as their past efforts have been. The Telealarm was given from the city bell, and graph has always been conducted with scores were very good. The ranges were day. One or two naval brigades have ac-Nos. 1 and 3 fire companies, with their great ability, and as a morning journal is | 50 and 2") yards, 3 shots at each. The cepted, and it is understood that the relunteers hose carts and engines, together with the sure to command favor and support. The first to prizes were won by Saucier, of generally will also accept the off, rimmediately Mayor, the Police Magi-trate, the first copy of the new paper we received Catharines, with scores of 32 out of a Chief of Police and his force, all yesterday. It is a handsome model of possible 36. The next three prizes were all turned out, accompanied by crowds, and | neatness and typography. It contains | won by Barry, Cotton and Falls, of Ot. crossed the bridge to do duty outside the fully three pages of original matter, in tawa, with 30 points. Holden, of Merlimits. At the scene also were large de. cluding a full and special report of the Hawkesbury; Helmer of Russell, at tachments of the regular troops, besides two | crops throughout Ontario. Its local and | Wilkins, of St Catharines, took the next | Judge Wilmot, against the flames, which in less than paper for every one. The evening adition forty-five minutes had enveloped at least | will be continued. six of the houses. The fire had started in the extreme cottage to the south, and the wind being in a contrary direction, had Messrs. Oliver Ditson & Co., 277 Wash- treal Royals, 9 shots, 9 hits and 32 points. swept the flames along the length of therew. | ington Street, Boston, and 711 Broadway' | For officers' match there were 27 entries : | graph. Finally three of the engines got to work, New York, have again kindly sent us ranges 200 and 600 pards. Capt. Wilkins. one in front and two in the rear, and some new Piccus of Choice Piano Forte of St. Catharines, carried off the 1st played steadily on the fire, water being Music, more than usually attractive : -procured from the river. By the direction Goo Blues THE FRIENDS WE Love. A | 24. 2nd. Surgeon Harkins, 18. 3rd. Lt. of the Town Major, Capt. McKay, a breach was made in one of the houses to arre t the progress of the fire, but fortunately and almost contrary to expectation, the flames GRAND MILITARY MARCH by P. Brignoli. | cents each, there were 39 entries. Lieut. did not reach that for-only six of the houses telig entirely destroyed, besides one badly injured, and one partly torn down as stated. The checking of the fire, and TRIUMPHANT MARCH by Franz Schubert, by the City Fire Brigade and their engines, the engines of the military being of poor account. The praiseworthy efforts of Capt. McKay and Capt. Glancy, R.E., can directing the labous of the men under their put forth as those displayed at this fire. with the limited resources at hand.

The poor families of the soldiers who have been turned out of house and home are being provided for by the military as Music must send the number of dimes ilton Spectator says:-Yesterday after- represent tives of the powers which had greater portion of their small properties or New York, and they will be sent by and grounds, and were surprised to find for it to receive a Minis er for Prussia Vessels Passed Through the was saved, but several suffer a loss that mai. will be felt by them. The origin of the fire is a mystery that the military ecquiry at present going on can only det rmine.

The buildings were built over 30 years ago, and for about 20 feet from the ground were of substantial stone, but above that were composed of frame work about This frame work was connected along the la Anxiety deepens respecting Whalen's added to the grounds, an immense amount \$6 000. It is a question whether they will deally not aware of the mass of evidence
