PROM SOUTH AMERICA. Terrible Earthquake.

A Chapter of Horrors. The account published of the earthquakes ately experienced on the western coast of South America is truly appalling. No such wide-spread and destructive commotion the earth and sea has occurred since the great earthquake at Lisbon in 1755, when 60,000 human beings perished, and the 1755, the destruction of property is greater.

L. tters from Lima, Peru, give additiona details of the earthquake and its effects. The earthquake commenced at half-past five on the 13th of August, extending from Bolivia to the southern parts of Chili the coast and over one hundred miles inlar All the public edificis in Arica were de-
