The County Show. .

The Show this year was an exceedingly good one. Horses, Cattle, Sheep and Farming Implements were in abundance and very good of their kind. The display of Grain and Roots was the best for | The Penitentiary Directors, Messrs. several years past. In Manufactures, particularly in Flannels, Cloths and tentraries in the Maritime Provinces at Blankets, the shew was extremely good, and in other articles very respectable. In Fruit and Vegetables there was also a very fair exhibition. We have no time to day to point out individual excellency. leaving that until to-morrow, but can say with truth, that the Frontenac Show of 1868 was a great success, and the attend ance from town and country more than was anticipated. The day, although windy, was warm and sunshiny. The Show was exceedingly well managed, and every body and every thing in its place the Civil Service Commission hand without delay or confusion. Every ani are much behind with returns, and work | Basset. mal and article was judged by Oue o'clock | badly.

In the afternoon the Grounds were en. livened by an Exhibition Game of La Hill. Crosse, for which the Pittsburg La Crosse Club and the new Butchers' Club divided-seven men of each Club on a side. Three games were played-the two first being won by the black caps in a comparatively short time; the third game, won by the reds, lasting an hour and quarter. The playing excited quite an interest among the spectators, and furnished very many previously unfamiliar with the game with an insight into it. The Pitts | Spanish insurgents in favour of proclaimburg men played their usually strong and | Ing the Prince Imperial of France, whose judicious game. The Butchers' Club, mother is a Spaniard.
