The Legislature on Friday.

lege of Physicians and Surgeons, o

of the same fener as those heretofore re ported, including the following : -By Mr. Strange-Of the Royal Col-

Kingston, praying for aid. Bill to secure the independence of the Legislative Assembly, the merits of which were discussed in Committee of the Whole. Mr. Blake tried his strongth by moving various amendments, which however, were promptly voted down,

Mr. Blake moved in amendment such change of language as would render ineligible to the Legislative Assembly persons holding any office; commission o employment, permanent or temporary, not only in the nomination of the Grown in Ontario, but in the service of the Do-Quebec, Nova Scotia or New Brunswick. Mr. Blake assigned his reasons for offering his amendment.

first section being under consideration.

The Attorney General replied, asserting that the amendment was unnecessary. because the language of the bill was quite comprehensive enough to embrace all that could be desired. The amendment was lost on a division of 17 to 42...

The Attorney-General offered an addition to the bill, affirming that in the opinion of the House it would be highly in proper to deprive the people of Ontario of the privelege of choosing the same person to represent them in both Houses Parliament. The latter amendment was carried without a division being called

Mr. Blake moved an amendment preventall parties holding offices of emolumeet either under the Dominion Government or Government of Quebec, Nova Scotia and New Brunswick, from sitting or voting in the Legislature of Optario. by 42 to 16.

same time that he had neglected to put in a clause to that effect, because he had no idea that such a proceeding would be repeated in this country.

The bill finally passed through committee, and was ordered for a second reading on Tuesday. The House adjourned.

THE VOLUNTEERS.

(To the Editor of the British Whig.) SIR,-It having been decided to use every exertion to maintain the 14th as a Volunteer Battalion, instead of rendering a draft necessary in Kingston, I am requested to call attention to the advertisement in another column and to express the hope that it will meet with a hearty response.

Very many members have left the Battalion, and others hesitate to re-enservice. This apprehension has very ther pecuniary liability will be assumed seriously thinned the ranks of the 14th, by Canada. notwithstanding active efforts on the part of the officers, and the latter have, | well as of Canada shows clearly that the therefore, resolved to test the question by waiting personelly upon the employers of Kingston in order to ascertain their | sale. In the recent constitution of Con-The result of this canvass it is pro-

posed to publish.

I need hardly add that it would be far | North-West Territory, if, as was coneasier, and greatly less expensive for templated by the Union Act of 1867, officers to fall back upon the stringent that country is to form part of United provisions of the New Militia Act, which effectually provides for a compulsory | policy being not to make any profit out of draft or ballot in places where the quota | the sale of the lands, but to induce popuof militia men is not furnished by volun- | lation by free grants or grants of laud teers.
