THE DOMINION OF CANADA

### The Daily British Whig.

"Oplfor per Orbem Dicorr."

THURSDAY MORNING, FEB. 24, 1870

Marine, has introduced into the Senate brought libel suits against Sculer & Co., of man for him. The history of Canada tem. Marine, has introduced into the Senate New York, for conspiracy to injure his the policy then pursued. They now read mulated excess of bile, returns from to the Department over which he has business, and against the American News lized the amount of money that they had jurisdiction. The first, An Act respect. Company, and Haughton & Co., for alleged squandered and the necessity of a change, heart are effected. ing the Coasting Trade of Canada," en libellous articles. acts that after a day to be appointed by Washington, -The Bill for extending the the Governor-General in proclamation, no benefits of the Homstead Law to children Finance Minister who had been absent and thence directly goods or passengers shall be carried coast of deceased soldiers, has passed the House wise, that is from one point in Canada to of Congress. another, except in Canadian ships, or to speak more explicitly, those registered in Canada according to law. The prohibition is not, however, intended to apply to British ships, (including the vessels of any excavations at Prescott Gate, have been cussing. On the previous evening the pepsia, Constipation, Neuralgia, Kidney British possession), which for all purposes discovered. The place was an old Indian Finance Minister had attempted to justify and Bladder diseases, Palsy, Apoplexy,

bottoms. The Gov.-General will have til 1657. The trains are all delayed. vessels of any foreign country in which of Ontario, and from Bishop Williams, the representation of their element in the British ships are admitted to the coasting of Quebec, corroborating the former, are Cabinet. He thought it was hardly fair to trade, thus establishing a rule of positive published, establishing the veracity of His ask those who had always opposed the poreciprocity or exclusion. The Act will Lordship of Ontario in his statement that lieved that his administration was most inhave an important effect on these lakes, where the American vessels have long enjoyed the privileges of the Canadian coasting trade, while the Canadian owners have been unjustly debarred from the same right on the American shore. We feel sure the Act will meet with the most cates any approach to a protective policy, office. The opinion of his party was that hearty acceptance of Canadian vessel which would be involved in the proposal country had been owing in the past to the owners It may be received as well as an to levy duties on American products im- blindness of the Finance Minister, and ing law has long been on the Imperial run and the English mails which were been mentioned. He thought it was un-

lude to its early use. cap. 61. Vict. 31, respecting fishing by | date of their probable arrival is quite un- | found sitting round the same Council table foreign vessels. It repeals the provision certain. that 24 hours warning shall be given to foreign vessels found fishing within three miles of the coast without a license, and | Confederation. provides that such vessels can be brought into port at once and examined, as under the existing law. The introduction of this bill seems to indicate that the license system is not to be abolished, while it places a more severe restriction on American fishing boats.

----NEWFOUNDLAND.

The Lieut Governor of Newfoundland has declined to accept the view of the Dominion of Canada.

Hincks in it, is very fierce. It goes a much taste and feeling, "Beautiful Snow- ter had been made the basis of debate.
