FARMERS'
Favorite Labor Saving Implements.

PREMIUM GRAIN DRILLS WITH *GRASS SEED ATTACHMENT*

EXPERIENCE having demonstrated beyond a doubt the great advantage of sowing grain in drills over broad-cast sowing, and the fact has been clearly established that in dry or otherwise unfavorable seasons, all grains do much better when sown in drills, I have been induced to do ote special attention to the INTRODUCTION OF THESE VALUABLE IMPLEMENTS. In our wet springs it is almost impossible to get the grain covered with a Harrow, so as to prevent injury from dry weather following. Aside from these reasons, the amount of SEED SAVED, and the increased crops raised by reason of having the grain evenly deposited in the ground, makes the GRAIN DRILL an indispensable requisite of every well regulated farm.

NOTE THE ADDRESS—
The Perfection of Prepared Cocoa.
MARAVILLA
COCOA.
Sole Proprietors, - - TAYLOR BROTHERS,
LONDON.
THE COCOA (or CACAO) of MARAVILLA is the true THEOBROMA OF LINNÆUS. Cocoa is indigenous to South America, of which Maravilla is a favoured portion. TAYLOR BROTHERS having secured the exclusive supply of the unrivalled Cocoa, have, by the skilful application of their sizable principle and elaborate machinery, produced what is so undeniably the perfection of prepared Cocoa, that it has not only secured the preference of homœopathe and coco-drinkers generally, but many who had hitherto not found any preparation to suit them, have, after one trial, adopted the Maravilla Cocoa as their constant beverage for breakfast, luncheon, &c.
"A Success Unprecedented."
(See following Extract from the Globe of May 16 1868.)
"Various importers and manufacturers have attained a reputation for their prepared Cocoas, but we doubt whether any thing approaching success had been achieved until Messrs. Taylor Brothers discovered the extraordinary qualities of Maravilla Cocoa. Adopting their perfect system of preparation to this finest of all species of the Theobroma, they have produced an article which supersedes every other Cocoa in the market. Entire solubility, a delicate aroma, and a rare concentration of the purest elements of nutrition, distinguish the Maravilla Cocoa above all others. For Homœopaths and Invalids we could not recommend a more agreeable or valuable beverage."
Sold in packets only by all Grocers, of whom also may be had Taylor Brothers' Original Homœopathic Cocoa and Soluble Chocolate.

LEA & PERRINS'
CELEBRATED
WORCESTERSHIRE SAUCE,
DECLARED BY CONNOISSEURS
TO BE
THE ONLY GOOD SAUCE.

Caution Against Fraud.
The success of this most delicious and unrivalled Condiment having caused certain dealers to apply the name of "Worcestershire Sauce" to their own inferior compounds, the public is hereby informed that the only way to secure the genuine is to
Ask for Lea & Perrins' Sauce,
and to see that their names are upon the Wrapper, Labels, Stopper and Bottle.
Some of the foreign markets having been supplied with a spurious Worcestershire Sauce, upon the wrapper and labels of which the names of Lea and Perrins have been forged, L. and P. give notice that they have furnished their correspondents with power of attorney to take instant proceedings against Manufacturers and Venders of such, or any other imitations by which their right may be infringed.
Ask for LEA & PERRINS' Sauce, and see Name on Wrapper, Label, Bottle and Stopper.
