DREADFELL COLLISION ON THE GRAND TRUNK.

Destroyed. THREE LIVES LOST - SEVERAL

Two Freight Trains

PERSONS INJURED.

SOME GREAT EAULT. Per Dominion Line-Special to the British

A fearful collision occurred on the Mondoubelan, in the Department Brighton about 11 o'clock last night, be- partment of the Lone. tween two freight trains, by which three lives were lost and the whole trains and contents desiroyed, except one car. The rivers Loire and Cher. The former track for 200 yards is a confused mass of risen five, and the latter seven feet. barning cars, goods and horses. The bard trest prevails in France. names of the killed are: 'Ihomas Wright, | going on between the Army of the Loire engineer; - Montgomery, Cattle Buyer; and the Germans. Both sides claim vic and a fireman, name unknown. The body | tories, but no really important engageof Montgomery was recovered, the other ment has as yet been fought. two are still in the debris. An inquest from Paris on Thursday, headed next. It is impossible to explain the cause of the accident at present.

THE ACCIDENT ON THE GRAND TRUNK .--The news of the frightful accident on the ber of Kingston passengers were travelling, | with fresh reinforcements, and and that six persons had been killed, and very many injured. The press telegrams. The neutrality of business. I would prefer that you would be press telegrams. The neutrality of business. I would prefer that you would be press telegrams. very many injured. The press telegrams, Charles falling back. however, informed the public of the tree nature and extent of the souldens, and many people's apprehensions on account of friends were calmed. The morning and despatches are being hurried off. express from Toronto passed the locality of the accident before the occurrence, and therefore suffered no detention or delay. | vasion ; Lyons and other places are The track was not cleared quite in time lecting provisions and working on their for the passage of the afternoon express The latest advices from the which was three hours late in arriving at the show that the morta ity is increasing at a track will not be cleared before sometime to-day, but arrangements were carried gram to his Queen, the Prince of Saxony the numerous complaints about robberies going into a theatre. If any person sus- man indulges himself until he gets the out yesterday to effect a transfer of mails. I burgers handsomely repulsed the French passengers and baggage at the scene to sortie from Paris on the 29th ult., and detrains in waiting. The cause of the acci. spatches from Berlin confirm that state dent was stated, we don't know on what New York, Dec. 3,-A private London authority, to be this: When the G. T. despatch says that by sifting the vast numagent at Brighton was arrested, over a ber of confused and contradictory war desweek ago, on a charge of fraud, a boy was the French forces yesterday actually won at Toronto. They are to be converted blad to clear a local and as the change you thing, but one good toothpick is worth an armful of tooth brushes. There is a genleft alone in charge of the telegraph office a victory, as claimed by them, near Orat that station. After six days and nights | leans, but the Germans certainly repulsed of almost constant attendance he was the French attack before Paris. almost completely worn out, and on Friday | the Loire effected a junction with Troch night he fell asleep on duty from sheer | though the Prussian lines were repeatedly exhaustion; therefore the order to detain and successfully pierced during the en one freight train until the other had pass. French were exceedingly brilliant. ed was never delivered, and the train and its living freight hurned on to destruction. It was reported also that the boy operator had telegraphed to Mr. Spicer, at Montreal,

The train going west was a goods train; that going east was loaded with cattle
