TIBE General Annual Meeting of the Sirokholders in the City of Kingston Gas Light tompany will be held on

Monday, the Gill land. at C mia y's Office, Queen Stree', at 3 O'C ock, P.M., for the election of Duectors and other important business.

To the Free and Independent Electors of the City of King-

I ENTLEMEN, .- The requisition sign I ed by so many of my fellow citizens tendering their support and interest in Boarding 100 use, the event of my becoming a candidate for the representation of the City in the Legislative Assembly at the ensuing election, induces me to place my services at your disposal. It I am fortunate enough to secure your confidence, I pledge myselt 44 to do all in my power to encourage and push forward that great enterprise, the Kingston and Pembroke Railway, the construction of which will not only be the means of developing the resources of the are territory lying north of Kingston, but will give a fresh impetua to the trade and industry of the city and surrounding country -in fact manufactures will spring in commerce will revive, and a healthy tone prevail in all branches of trade

The people of Kingston are enterraction and low in a united effort in the accomplishment of the great enterprise they have undertaken, prosperity will again return to them, and Kingston wil rank ere long as one of the first cities of

My political principles are well known to you all I believe in economy, and in an honest administration of public affairs. I shall only support the administration that strictly practices economy in all the departments of the government, and whose measures are best calculated to advance the prosperity of the country. If elected I shall pursue an independent course in parliament. Measures, not men, being my

your suffrages, and will go to the polls with the full assurance that through your generous efforts I shall have the distinguished honor of representing my fellow citizens in the Legislative Assembly of

motto, I shall fearlessly uphold the right

I therefore, gent'emen, confidently solicit

and condemn the wrong.

Your faithful Servant,

JOHN BREDEN

Electors of the County of Frontenac. I ENTLEMEN, -The time has come I when, in accordance with the provisions of our Local constitution, you are called upon to elect a representative for the Parliament of Ontario; and in offering myself again for your soffrages, Lithink i

right to state my views on some of the ques

tions that will probably come under the consideration of the new Legislative As-First-I am strongly in favour of encouraging a healthy immigration of the industrial classes into our splendid Provine. The extensive wild lands, with their vast amount of mineral and timber resources, require only to be developed to make the Province of Ontario one of the population of the old countries of Europe and I do not know of any better plan to make these resources more readily available than by encouraging and aiding the construction of ratiways, gravel roads, and improving the inland navigation: fore, secondly. I am perfectly in accord with the Government in their proposal to devote part of the present surples, to aid

such enterprises as may be found after due deliberation, best fitted to promote these most desirable phicets. In order to insure for our recule a peace. ful and prosperous community at is very desirable that they should at least have the rudiments of a good practical educaany scheme of educational arrangement that will place the masses in a position obtain A; and it elected, I shall lend my influence to such amendments, as in my judgment will tend to make the presen
