A STRANGE REPORT.

Early in the morning yesterday a report was circulated about town that Sir John A | the living serial in 'Every Saturday', Macdonald had been appointed Governor | published in Boston simultaneously with General of Canada; and the report was the original in London. So popular are generally believed. And yet nothing the works of this great writer, that his quald be more preposterously absurd. [Terrible Templation' is now republished No but Sir John is well qualified for the in a dozen other Magazines, though haza office, and his Colonial Services de- coming later by fully three weeks. serve something good at the hands of the proves to be very exciting. British Government, yet, as it never has THE CANADIAN ILLUSTRATED NEWS for April been the practice at Home to appoint Gov. 15. Geo, E. Desbarats, Montreal. emors in Colonies natives or inhabitants APPLETON'S JOURNAL for April 22. of sum localities, we felt assured that no exc ption would be made in Sir Jonn's

Touching Lord Lisgar's going Home, on leave of absence, after so short a residence in Canada, we cannot help regarding it as a great evil. A Governor Genera, to whom so large a salary is paid as \$50, nada. 000 year, (twice the pay of the Presi dent of the United States,) besides hand the Governor General. some allowances, should give his whole time to the duties of his office; and if and from thence to England. he cannot find it convenient to stay Canada, he should resign at once, and le. | and Louis Napoleon personally helped some other man take his place. ()f course while away he is on full pay; and as Sir Charles Hustings Doyle, the Lt. Governor | larity. of Neva Scotts, acts during his absence as his locum tenens, the will have to be paid at appointed Indian Commissioner the same rate as Lord Lisgar; thus the Dominion, and will have a special depart Dominion will be saddled with the pay. ment for that purpose. ment of two Governors General, say \$100,-000 a year. This is really too bad !
