THE EASTERN QUESTION.

The Eastern question was discussed in the House of Lords on Monday, Stratheden bringing up the subject by criticising the manner in which the demands of Russia had been sett!ed by the London Conlerence. Earl Granville defended the conduct of the Government, and maintain ed that all the Powers were satisfied with the arrangement, by which Turkey still remained a stronger naval power on Black Sea than her northern neighbor. The Marquis of Salisbury took exception to the noble Secretary's defence of British foreign policy, and maintained that Great Britain should have assumed a warlike at. \$5516 titude, and demanded 'satisfaction' of Russia as soon as the Franco-German war ter
