(Cleveland Leader.)

living at his home in Michigan, became enamored of Chice Gargett, of Richfield, and last fall he paid her a visit.

When he returned home to Michigan he parents to his marriage with the daughter. The winter passed, and in the spring he was informed that the marriage was imm al fut er cor espondence, and Miss Gargett's hand. He swore that h would have her or slay her.

Last week he concluded that all endeavors, to obtain her in marriage- would He repaired immediately to the house Mr. Gargett and asked where the daugh the old man in the head.

The mother, who was standing near cried out to the daughter; "He has killed your father; fly! fly! The daughter ran up stairs, and the murderer aimed . the mother, shooting her in the head, and causing me ant death. As the report of the pistol mingled with the moun of the dying mother, the fiend shricked that he would kill all of the them, and rushed forward towards the staticase where the daughter had disappeared. The lady's brother Rudney here grappled him, and a violent, struggle ensued. The thirsty man triumphed. He raising revolver, fired at him a shot that put L beyond the power of interfering. Rooney rushed into the street, frantic from h wound, and filled the air with shrieks and sciennis, the life blood trickling from his wound. In an ins ant he was a great distance from the scene of the tragedy. large crowd gathered about him, totally unable to comprehend the meaning of a cries, and soon moved toward his house where the bloody truths became but

the second report of the pistol, and seeing her maniac brother stagge through the streets, leaped from a second story window into the street, and sought refuge in a neighboring house. An old lady, in whose house she ente ed, secreted herself in a cellar and then returned to her front door just in time to meet the bloody murderer on the threshold. He demanded admission and was refused. The brave woman stood before hes door, barring the passage way and stoutly refusing him ad-He here Lyain declared his ling his theeats with oaths, and saying that she would either wed him or die. The crowd gathered around, and he said he would shoot himself, and raised the revolyoung man in the crowd, uttering a threat but did not fire. He reeled about for a legal acumen in his detence.
