ANOTHER HORROR.

FORTY PERSONS KILLED.

Terrible Explosion in New

York. The boiler of the steamer Westheid exploded as the vessel left the dock on Sunday with a load of 300 excursonists board. About thirty-five persons have seemed to lift itself out of the water, the in one grave. smokestack fell, and then everything was buried in the wast chasm which had been William's greivous annoyances is, t' furniture, it e preserver, and everything chess. on deck into the hold, while the huge builer poured deadly volumes of steam into

Help speedily anived, and the removal of the victims began. Tweive dead bodies were removed from the bear, four have since been found in the water, and five have ried, making in all, as far as known, twenty-one persons who have been killed. Many passengers leaped into the water, and some of them were drowned before aid could reach them, and as others have died in hospital since their removal from the scene of the disaster, it is safe to estimate the number of deaths at thiny five, and the injured at one hundred.

The scalded victims were placed in amoutances and driven to the hospital at full speed. Private carriages and express waggons were also brought into requisition, and took several loads of moaning wings, 'our legs, two bodies, one neck, one ! human beings to the Hospitals. Some head and two bills. At last accounts it was! died on the way; others were delirious in excellent spirits calc hel. with pain.
