aration, which is due to merit

He can assure our old patrons that it is kept fully up its high standard, and to those who have never used it we can confidently say, that it is the only reliable and perfected preparation to restore GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken the scalp, by its use, becomes white and clean; it removes all eruptions and dandruff, and by its tonic properties prevents the hair from falling out, as it stimulates and nourishes the hat glands. By its use the hair groves thicker and stronger. In baldness it restores the capillary glands to their normal vigor, and will ereate a new growth except in extreme old age, It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair so much admired by all. A. A. Hayes, M.D., State Assayer of Mass., says, "the constituents are pure and carefully selected for excellent quality, and I consider it the BEST PREPARATION for its intended purposes." We publish a treatise on the hair, which we send free by mail upon application, which contains commendatary notices from clergymen, physicians, the press, and others, We have made the study of the hair and its diseases a specialty for years, and know that we make the most effective preparation for the restoration and the preservation of the hair, extant, and so acknowledged by the best Medical and Chemical Authority.
