larity of this valuable Hair Prep- Social, Pulitical, Topographical, and Hisits high standard, and to those who have never used it we can confidently say, that it is the only reliable and perfected preparation to restore GRAV OR FADED HAIR to its youthful color, making it soft, lustrous, and silken; the scalp, by its use, becomes white and clean; it removes all eruptions and dandruff, and by its tonic properties prevents the hair from falling out, as it stimulates and nourishes the hair glands. By its use the hair grows thicker and stronger. In baldness it restores the capillary glands to their normal vigor, and will create a new growth except in extreme old age. It is the most economical HAIR DRESSING éver used, as it requires fewer applications, and gives the hair that splendid glossy appearance so much admired by all. A. A. Hayes, M.D., State Assayer of Mass., says, "the constituents are pure and carefully selected for excellent quality, and I consider it the BEST PREPARATION for we send free by mail upon appli- | cioth. datory notices from clergymen, physicians, the press, and others, We have made the study of the hair and its diseases a specialty | publishing price. for years, and know that we make the most effective preparation for the restoration and the preservation of the hair, extant, and so acknowledged by the best Medie cal and Chemical Authority.
