Kingston, Sept. 1, 1871. THE GREAT RACE.

At 7 o'clock the sun came out bright and DominionTelegraphCompany. strong. The streets were quickly filled by thousands of persons hurrying to the Yacht Club, different stands, and points

> along the harbor. As far as the appearance of the weather went, there was nothing to prevent the race from coming off, but the ground swell in the harbor was such that the Comm at nine o'clock,' decided to postpone the race until four o'clock; subsequently a meeting of the committee was held, which the English crews attended. They waited till they had examined the water. and reported that they did not think it too rough to row. It was soon discovered, however, that the stakes boats had been blown away during the gale, and a tug boat was at once despatched to re-

The six crews started and the Taylor-Winship crew fairly won their laurels. The race was a most splendidly contested struggle for victory, and every one was delighted who witnessed it. As the sky was given for the boats to take their sta- steamers at anchor in the harbor, the sent. tions. These were decided by drawing greater part of which were heavily laden tots. The Renforth at once took their place, followed by the Taylor, American, Pryor, Barton and Roche. Deafening theers and shouts, went up from the immense crowds of beholders. All being ready the starter at 1:48 shouted "Go. and the Renforth crew shot ahead, making 42; the Tyne followed at 41; Americans, 44; Pryor, 40 strokes per minute. These numbers were kept pretty much the whole course. The Barton were next, but the Roche were laggards, and at the third mile gave up the contest and went ashore near George's Island. Going to the stake boats the two English crews The County Council of Renfrew has ap- were even until nearing them. The Ren- greased up for the occasion. There is a
