paid their CITY TAXES are reminded to do so at once, and save costs.

The Red River Fiaso THE SPIRIT OF MANITOBA.

WINNIPEG, Oct. 7, 1871.

DEAR WHIG, -I have just learned that a special mail suggestion will be seconded by the kind sers and shirt. on at Red River.

and it has turned out as usual, a fizzle. For some weeks we have heard rumors have another gentleman in the city who l of all sorts anent Fenianism; three days can add to the pleasure and interest of ago these rumours culminated in an these Readings, and if our surmise is cor actual invasion of our territory, by a band | rect, that he is connected with one of the | of about 70 blackguards, led by the local institutions, we are confident that renowned tien'ls. O'Neil, O'Donoghue, the expectations of the public will not mage to the shipping. Tuomas, Kelly and some others, whose be disappointed ! names I have forgotten. Their first move ! was to take possession of the H. B. Co's. Fort at Pembina, and at once they set to, work to pillage, helping themselves to great coats first and any thing they wanted, (and by the way they wanted every thing.) They counted upon the French Half-Breeds joining them, but they counted without their host. Col. Wheaton, the commandant at Pembins, (American,) without waiting for any instructions, took the thing into his own hands and crossing the borders " went for them." This proceed-

ing was so unexpected by them that they at once "skedaddled," he giving chase Thomas, and Kelly ; O'Donoghue escaping | Streets to Cataraqui. on a horse he secured by knocking a half. The firing party was composed of portions | guilty of murder in the first degree. breed off his back. Well, some five miles of the 14th and 47th Battalions, in charge ! with the Fenians 4 generals and 13 men in custody of the U.S. authorities.

the Selkirk or Winnipeg Co., Capt. Bain. | who attended were Dean Lyster, and | M. S., Lieut. Sweetman, (son of our old Revds. Messys. Wilson and Bower. Fol- three. friend at Adolphustown,) and Ensign lowing the mourners were nearly all the turns out beside me.

course they will get off. Why not?

It is really vexatious that we have not had a shot at the skunks.

So general has the Volunteering been that this morning while we were drilling every store in town was closed, as none were left to do business. You have of course heard about the firm of Bannatyne & Begg, who have been so often accused of all sorts of disloyal acts, during Biel's reign. Well, it would do your heart good to see both these men and every clerk in their employ in the ranks; all willing and eager to meet the foe-and their store closed. Facts are stubborn things. This kind will do more to cement the people! together than a dozen years of uninterrupted peace would have done. It is hard to suspect men who turn out at a moment's as arrant rebels.

cultural Exhibition. It has been up-hill work for two or three of us, but unremitting efforts and perseverance has compelled terians prayed, with terrible fervency; a plates riddled with holes from old age. success. In your life you never saw such | Methodist followed, beseeching the Lord | Happily the crew made their position a show of vegetables; caulidowers as | not to forget the apparently decided city, known, and were rescued without suffering large as pails, cabbages like tubs, potatoes but to save and bless it : then a Univer- much privation. Captain Thrupp will be like Canadian turnips, one would more of Humanity, who becought the giver of quiry will take place. We shall hear n than suffice for a large family dinner; onions the size of tea plates; in fact all his own good will, however incompre- vernment. and every thing shewn would take first | hensible, and give the smitten city the prizes in any exhibition in the world.

Wheat weighing 70 lbs to the bushel ; barley, 60; Oats, 40; and such butter, in his warfare on Chency, who seemed Just fancy paying here 374 cts. per lb for trifle at sea without his robes and Line, Glasgow, have authorized their Some joker nailed a board to a broken to butter, and hard to get in a country where | canonicals, but who, after a little stain you get hay for the trouble of cutting.

## An Election Victim.

The unseating of Mr. Ardagh, of North Simcoe, on account of having joined with the other candidates in facilitating the election by engaging a railway train for convenience of the voters, seems to be somewhat of a harsh measure, though doubtless in accordance with the spirit the law. But it is quite a different affair in its intent and bearing to that notable example of corrupt influence the Crooks' Corruption Fund, which was swellen by the contribution of one hundred dollars from the Hon. Geo. Brown. What Mr. Ardsh gappears, in commen with the other candidates, to have desired, was, not to "say money" to the electresponsible for any debts incurred by her. | que for thirty peace to come; and we are tors after the fashion adopted by the To- Also my daughter Sarah Ann. ronto purists, but to facilitate their presence at the polls. It was railway versus waggun ; speed versus delay ; comfort as against crksome travel. It was an expedient to assist in recording opinion, TEAS!
