REV. W. SHORT.

(To the Editor of the British Whig.) For forty years has the Nestor of the Wand endeavored to teach the more ig nerant writers for the Canada press, among other things, that the pronoun we in a newspaper is impersonal-that it is only applied correctly, to the paper itself, and not to any writer in it, e. g. We (the paper) observe so and so, or we think and so. But one constantly sees the term steady and rather more business reported applied to the writer himsnif -- as, "we extra and fancy taken mostly in broken day's News "which should know better- 5.55; fine and lower grades in excess. ourselves," instead of "the writer was of choice sold at 83c, per 660 bush; car cured to him for as long as his Highness Corn firm; receipts 281,000 bush; new retired upon his laurels; but has lanew retired upon his laurels, but has la-' mentably failed of success in this one mat-
