### ADDINGTON ELECTION.

As there is little doubt now that lection for this Riding, to be held n Monday, will result in Mr. Shibley's re ased by the Tories to vilify and misrepre Shibley is tainted with annexationist sev aments, and is consequently unfitted represent a loyal constituency. This is sinuation was openly denied on the l ings last Thursday, and we ask those correctness. The challenge, is threw a out all confidence, for we well know th Mr. Shibley's enemies are unable to fuce a tittle of proof of his being favorable to annexation. This the electors Addington are well aware of, and the know further, that if the charge of having

annexation proclivities attaches to eithe candidates, it is to Mr. Lapum, who supported the Washington Treaty. The ratincation of that Treaty was a seven-league step is the direction of annexation. deprived us of our most valuable nation privileges, and, consequently, the o Pair | levers with which we could have hoped secure Reciprocity. The adoption of the

Treaty without any reciprocal returns was, whatever its effects upon the Fishery interests, most disastrous to the farmir interests of Chitario, which naturall looked for the removal of the America duties upon grains and live stock, in view of the large concessions made by Canada. It is well known that the Reciprocity Treaty was abrogated on account of the feeling of hestility engendered in th American mind on account of the alleged depredations of the Alabama, and other
