TESTIMONIAL!

GENTLEMEN,—I have taken considerable interest in the examination of the Rousillon and other Wines of your importing, on account of their being of a character so much adperiz to what I expected. I have tested them by the processes of Chevallier, Jacob, Vogel and Esenbeck, and in all cases have found them to be pure and unadulterated Wines.

Yours truly,

HENRY CROFT,
Professor of Chemistry

AGENTS FOR KINGSTON.

Aug. 12, 1872.

To the Electors of the Riding of Addington.

GENTLEMEN,—I beg leave to offer myself as a Candidate for your suffrages at the approaching Election for the House of Commons. I, as you are well aware, have long taken a somewhat prominent part in the Municipal affairs of my native County, and if elected as your representative to the House of Commons of Canada, I shall endeavour to the utmost of my ability to aid in passing all measures that are for the benefit of our rising Dominion and oppose all that will be injurious to our interests.

If elected, I shall give the present Government a fair support, as I consider that their legislation on the whole has been advantagious to the country. It is my intention to see as many of you as possible before the Election, when I shall explain my views more fully to you on the great questions now before the country.

I have the honor to be, Gentlemen,

Your obedient servant,
SCHUYLER SHIBLEY

Portland, July 17, 1872.

TOWN AND COUNTRY.

MONDAY EVENG, AUG. 19, 1872.

☞ *SEE FIRST AND FOURTH PAGES.*

THE Moonlight Excursion to Bath will be largely patronized this evening.

THERE was a mighty deal of dark cloud yesterday for so little rain—none at all.

SEE the announcement of the Grand Excursion of next Tuesday.

HARVEST REPORTS.—The Cabbage crop is a failure. There will be a rise in the price of Sour-Kraut.

SOME of the farmers in the adjoining townships have had all their grain harvested already. But the work generally is now at the most hurried part.

SULTING.—People who went to the church yesterday, or visited the Cemetery, were of the opinion that it was the *heatiest* day of the season.

FREE LECTURE.—This evening a talented Clergyman, a visitor to Kingston, is to deliver a lecture in the Brock Street Presbyterian Church—one that is very highly spoken of.

THE HARVEST MOON.—The last two nights, the moon being now at the full, have been delightful. These nights are too beautiful to last long. It is delightful on the water, two in a boat. Enjoy life while you can.

THE GOOD TEMPLARS of Napanee, Picton, Bath and Kingston, intend having an excursion on the 21st and 22nd instants, by the steamer *Pierrepont* to Cape Vincent, thence by rail to Watertown.

FACTIOUSNESS.—The Cornwall *Freeholder*, the Tory organ in Cornwall, reproves its own party for making an opposition in Glengarry to Mr. D. A. Macdonald. It says the return of this gentleman is without a doubt, and therefore the opposition is a mistake and a farce.

AN ODD FREAK.—A child about 12 months old having been lost for two days from the residence of Mr. Pardeaux, of Portsmouth, was after considerable search discovered in the corner of an old stable on his premises lying very comfortably sucking a large Newfoundland bitch. At the time of discovery it was patting its foster mother with its little hands, evidently to keep her quiet while indulging in the luxury of a suck.

THE ENGLISH CRICKETERS.—Much interest is taken here in the forthcoming match, in Ottawa, with the English Cricketing Team, of which we have already given the time—Tuesday, August 27th, and following days. There will be a large attendance of visitors from Kingston and other places East and West of us. The fares on the railways and steamers are placed at excursion rates. Messrs. A. Jones and A. Agnew, of the Kingston Club, are to play on the Canadian Team, which will be composed of an eleven from the Ottawa Club, and eleven from outside clubs. A splendid game is expected. The finest and prettiest ground in Canada is chosen for the match.

Keeping in Heart.

The Quebec *Chronicle*, Ministerialist, reviewing the elections, admits that in Quebec and Ontario the Opposition are gaining ground, but thinks the Government will get a majority elsewhere. In regard to Sir John presenting himself for South Bruce, it says it may appear humiliating to the Premier's friends that, while he had so hard a fight in Kingston, Mr. Blake has the choice of two counties, and adds there is consolation for some of the Ministerial defeats in the fact that the new men are occasionally so superior to the old as to make one forget political dividing lines, or crying over the disappearance of parties who certainly were no credit to the House or the public.

The water in the Ottawa is falling rapidly and navigation is becoming very difficult. Barges are taking much lighter loads.

PARENTS, lessen your Shoe bills two-thirds, by buying only CABLE SCREW WIRE fastened Boots and Shoes. Never rip or tear.

All genuine goods bear the Patent Stamp.

A Friend in Need.—Dr. Wistar's Balsam of Wild Cherry is a friend in deed. Who has not found it such in curing all diseases of the lungs and throat, coughs, colds and pulmonary affections and "last, not least," Consumption! The sick are assured that the high standard of excellence on which the popularity of this preparation is based, will always be maintained by the proprietors.

A Chemical Food and Nutritive Tonic.

Without Phosphorus no thought, say the Germans, and they might add, no action, since Phosphorus and its compounds are known to be the motive power of the nervous and muscular system. They constitute more than half the material of the human body, being found in every tissue, and their presence is absolutely essential to nutrition, as they promote the conversion of albumen in the food into fibrine, which is the vitalizing agent of pure, healthy blood. They are now coming into universal use in Europe and America in the treatment of Scrofulous, Consumptive and Venereal diseases, which are caused by impoverished or poisoned blood; in pale, puny children, and that condition of nervous and physical prostration resulting from bad nights, excessive use of stimulants and tobacco, and all that train of evils known as fast life. The great reliability and promptness in its effects in immediately and permanently restoring the devitalized constitution has made DR. WHEELER'S COMPOUND ELIXIR OF PHOSPHATES AND CALISAYA a great favourite with the Physicians and public. Sold at $1.00.
