KINGSTON, CANADA, THURSDAY EVENING, JANUARY 9, 1873.

NO.

THE RUIN.

An old castle of unhawn stone,

Choking up portal, path and hall,

Night owls build in the turret gray,

Or from the thickly tangled grass

Modern lords of the castle old.

And glimmering,

Start as the wondering foetsteps pass,

The daylight peers with a curious eye

And the ever cheerful sunbeams glare

O'er ancient mirror and antique chair,

A gloemy smile o'er the mildewed past.

Through the crumbling roof and the bro-

Whistle 'mongst rafter, brick and beam,

I'd not wander there when the dewey eve

An Election Story.

Quaking slight

I'd fear to see through the twilight air

Some olden knight er his "ladye faire,"

Ghastly,

"I vants dat suit of clothes!"

Mr. Green, accompanied by the intell

gent voter, went to the justice of peace

which the clothes were purchased and

"Now, my friend, just answer me on

"And you wen't go back on de clothes

"Vell," said he slowly, with a sly twin-

admitted to be the Handsomest Periodical in the World.

THE ALDINE is an elegant miscellany pure, light, and graceful literature; and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding numbers affords a fresh pleasure to its friends, the real value and beauty of the ALDINE will be most appreciated after it has been bound the close of the year. While other publications may claim superior cheapness, as compared with rivals of a similar class, the ALDINE is a unique and original conception-alone and unapproached-absolutely without competition in price or character. examine before purchasing any other The possesser of a complete Volume cannot duplicate the quantity of fine paper and engravings in any other shape or number of

man who spends thirty cents per day for cigars, will spend in four years, at that rate, \$4,389. And that young man who spends fifty cents per day for unneccessary cigars, will spend in forty years, at that rate, \$7,300. Again, the man who spen is fifty cents a week for chewing tobacco, will spend in forty years at that rate, Imagine a family of six. The father, mother, and two of the boys use tobacco, each using 30 cents worth per week. They will spend in forty years, at that rate, \$2,496. That loaned at 10 per cent interest would in 40 years adding the interest to the principal -amount to \$9,784, when probably at that time, when they persist in smoking, they will live in poverty and privation of more necessary and enjoyable things than tebacco. -- Man-

WHAT IT COSTS TO USE TOBACCO. - The

Baring-Gould's "Lives of the Saints," the first two volumes of which are just out in London, the Spectator finds a decided success in a very difficult field. Each month is to have its volume, and the intolerable old folios of the Bollandists, over fifty in number, will be sufficiently condensed for practical readers in to the twelve modest octaves of Mr. Baring-Gould. This author is an English Bend to the breath of the upland breeze, Churchman, who calls the Reformation

'a miserable apostacy. BREAKPAST .- EPPS'S COCOA. GRATEFUL AND COMPOSTING .- "By a thorough know-This once stronghelo ledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breaktast tables with a delicately flavoured beverage which may save us many doctor's bills."-Civil Service Gazette. Made simply with Boiling Water or Milk. Each packet is labelled-"JAMES

The stranger, who Errs & Co., Homeopathic Chemists, Lon-MANUFACTURE OF COCCA .- "We will not give an account of the process adopted by Fox and wolf through the great hall play, Messrs. James Epps & Commanufacturers of dietetic articles, at their works in the Euston Road, London."- Cassell's Household

The first approaches of consumption are so insidious that thousands remain unconscious of its presence until it has brought them to the verge of the grave. The immediate use of "Bryan's Pulmonic Through the breken panes of the windows Wafers" upon the first appearance of the cough, pain or soreness of the throat or chest, would generally preclude a fatal result, therefore when you take a cold use Bryan's Pulmonic Wafers," and thus prevent the necessity for taking them in more dangerous complaints. To be obtained of all Druggists and country dealers. Price 25 cts. per bex.

And the winter winds with a relish keen Says a late issue of the Philadelphia City Item: "Ingenuity has been taxed to find the surest and most direct means of reaching the public, and the business man who would advertise a speciality, and get the greatest good out of the greatest number, in the shortest space of time; is compelled to go to Geo. P. Rowell & Co., of New York, for advice. Why to this house ! Because it is the head and front of the advertising business. It is prompt, methodical and clear in its transactions, and possesses the confidence of all the houses which advertise most.
