A monster, named McCracken, is said o exist in Brantford. He drove two little erphan nieces, eight and ten years of age respectively, from his house Saturday night last, and after sleeping and freezing under a shed, the poor little waifs crawled into Grace Church on Sunday for shelter. They remained there till Wednesday during all the recent dreadful cold snap, when they could hold out no longer. Climbing to a window their cries brought assistance, and the church doors being There is beauty. But where is the beauty forced open, the famishing children were carried out almost exhausted, and convey ed back to the residence of their uncle. This monster should not be allowed to escape the punishment which he so richly

this country to lecture next season. He is a large, powerful man, of about fortyfive, a cross between Henry Ward Beecher and Robert Collyer, with a ringing voice and a mastery of oratory unknown to any other speaker now living in Great Britain. He is adored by his followers and intensely hated by society, and the government. What he knows about treland and official life in England will be worth telling. We predict for him a great popular success, such as no other countryman of h s. Dickens excepted, has so far had the ability to - Brigham Young's one hundred seven- made.
