The nature of the offence is Speaker, of course, decided in favour of Sir John's contention and put the question to the House, should the Petition be received ! The House decided against Mr. Speaker and Sir John by a vote of 76 to 72. The Government have thus met their second repulse since the House assembled, and will no doubt attempt as many excuses as in the Muskoka case. Yesterday's vote has shown them that they are not as omnipotent as they imagined and that their tenure of office is far from being certain.

### THE DOMINIO I ELECTION LAW-

The country will learn with pleasure C. ru. 28s. Lard, 39s. Pork 61s. 0d. to . that Sir John Macdonald has at length consented to adopt the one-day system in his election Bi.l now before the Commons. Repeatedly, but unsuccessfully did the Opposition in the late Parliament contend that all the elections throughout the Dominion should be held on one day in calm interest the slow destruction of the order that the popular verdict might not building. The main part of the estabbe biassed by the tricks possible under lishment is of stone with a large fire proof the chair at 3:15 yesterday.
