LONDON, 11 a.m. - Rates of discount on | they had seriously regarded it as they Bank of England advanced one half, now pretended to do, they would not have been so eager to prove that "there was nothing in it.".

> to election case appears the name of Mr. William Cluxton. This is certainly a grim satire on our parliamentary institutions. Mr. Cluxton was not elected to Parliament, but his opponent. His opmonent is excluded from the House, alhis seat. This is minority representation with a vengeance. The majority juggled out of their rights by a partizan Returning officer, and a needy Premier sadly in want of votes. On matters of public policy not only adds additional reason to the disonly will differences arise, but it is well that they should. In a matter like this nothing short of a callous disregard of honesty and fair play could brazen out a defence of this outrage.

THE ORANGE BILL-

It is worthy of remark that Mr. Calvin was conveniently present during the recent debate on the third reading of the Orange Incorporation Bills, and voted against them. Great pains have been TORONTO, March 26. - At seven o'c ock taken to impress upon the public mind last evening a large number of the Orang that it was the Reform Party which was Order of this city assembled at the Orange opposed to the incorporation of the Hall, Young street, for the purpose of Orangemen, and that the Tories were unholding a grand torch light procession in animously in favour of it. How did it honor of the Act passed on Monday. in happen, then, that that good old fory. incorporating the Mr. Deline Dezter Calvin, voted against Orange Association. After being well it, not once, but persistently! It is also at adial with tarches they pared of in worthy of remark that the organ in which fours, headel by two Marshalls, and the member for Frontenac is a shareholder savaral days and a file and rum Band is careful to conceal the fact that Mr. playing.
