TOWN AND COUNTRY.

THE BOARD OF TRADE. - The Quarterly Meeting of the Board of Trade will a e place at the Council Chamber to-morrow | Tuesday) evening. A full attend ince is

Fund will remain on record as one of the | Elbow Lane. been before any Legislature.

OUR POPULAR GOVERNOR. - His Excelleasy Earl Dufferin visited the House of Commons on Friday, and did not do it in high state. He very quietly took his place am ingst the Gods in the gallery. It is worthy of remark, in this connection, that he is the first Governor General who has thought proper to be present at any sitting of the Canadian Parliament save when his duty called him there.

THE BUITER FAMINE. - The Reporter of the description that was formerly used on old bedstends, with fatal effect on a certain domestic insect." The Gananoque butter, therefore, can be made to do better service than Kir ston's, for some w i els. Good fresh butter sold in stores turday. How high is dat !

A NEW ROUTE. - Line Kentrew Mercury the present surveyed one of the Kungston and Pembroke Railway in the section between the Madawaska and the Bonnec'i re rivers, has been spoken of by par-li, he real ses the loss of the loaves and c con. A committee was appointed to tes well acquaintel with the tipography bishes. of the district. It leads directly to Kenrew by a shorter line and e sier grade pass, -- which, after all, would take the true cognomen. road only within the length of three lots from the Canada Central Railway, and the width of four lots from the village. The information looks like two words for All the abs ve Goo is will be sold very ten rew and one for the railroad, but if t we new proposed route is as fensible as Also a comple e assortment of Won en the surveyed one, by all means let it be followed if we can bring Rantraw into tor exhibition in Osgoode Hall.

BRIEFS. - Belleville Oddfellows are to celebrate gran lly on the 23 n April. - n the petition against the return of Mr. on Brock and Clarence streets at the intersections of King street. - It rained like '

Night Scenes of the Bible. (To the Editor of the BRITISH WHIG.) with both places. DEAR SIR, -- Noticing in your issue of Saturday that the Rev. Geo. Lewis, B.A., was continuing his sermons on the "Night two Canadians, were declared fit for Scenes of the Bible," and having heard foreign service in engineering and other very much in favor of the Rev. gentle- military tactics. There were sixteen he ir his "Night of Disappointment;" and | the only ones not "plucked." I can assure you, Sir, that although I had are. fell over a wall at Quebec terrace. m m's reputation, yet, I was not disap- yard in Champlain street. She was pickpointed. The sermon, founded on the was indeed a rich treat to all who heard quantity of snow in the yard prevented As the subject was unfolded to the her heing dashed to pieces. readers an outline of this sermon. Suffice | freight cars demolished. not to be wondered at that the reverend selves by jumpin ; from the trains. gentleman is so popular with his congrered sorrow. TOWNSHIP OF STORRINGTON.

Sin, - Having only recently noticed in the hand. your issue of the 13th of March some false statements under the above caption by a correspondent from Elbow Lane, I, as one of the auditors in question, take the liberty of replying thereto.

His first insinuation, that we were invited to publish a flattering report, is absolutely false, and evidently manufactured of the whole cloth. Having never taken an active part in the affairs of the township, not even so much as to exercise my privilege to vote ; and having never son, ht was greatly surprised when I received notice of being appointed to the office of auditor; but considered it the result of MONDAY EVEN'G, MARCH 31, 1873. t e C mneil's wish to get persons unc innect. oil, and therefore disinterested in its affairs, except only as every ratepayershould

Your correspondent further asks, "Were all the vouchers I gal vouchers ?" by which no doubt he wishes to make a nice distinc EARNED ITS PAY. - The session of the 'tion; but which I cannot perceive, becau e Ontario Legislature has been protracted, i a so called ve white were illegal it could but the amount of labour performed has not guarantee the fact which it represented le n greater than at any session of any and would therefore be no voucher at al' p-evious Parliament; 233 bills have been | I flatter myself that of their legality I am before the House, and of this number 163 | quite competent to form an opinion withwill become law. The Municipal Loan out the assistance of the gentleman from

most important to Ontario that has ever He also asks for a detail of the receipts perienced religion and been converted to from the County Treasurer and the amount realised from the settlement of wild land taxes. It cannot be expected by any sane man, that a few remarks, which it is customary for auditors to make upon their report should contain a detail of the recerpts and expenditure of the township. Such information should be sought for in the report itself, which no doubt will be freely circulated in due time. As to the statement relative to the

municipal grant I have only to say that it is an evident attempt to mistify and blundfold persons not acquainted with the fact | ed in English beds, are advertised in the that Municipal and Government grants by London papers to be sold at one shilling a late regulations from no part of township has discussed it. It says :- "Gananoque accounts, but come under the supervision is suffering just now from another butter of the County auditors. This also accounts and receipts for cooking in the delicious famine. All that can be had at present is for the disparity between the balance of way known in Am rica added gratis." the 8th of February 1873, as compared

The words "unquestionable accuracy, and ecomony' appear very offensive to your correspondent, who it appears is more capable of making garbled statements and misrepresenting facts than he to latter is only useful for greas ng bugpy is at rendering praise where it is justly Gowzski was re-elected President; Allan due.
