BREE AND BLOODSHED. - An advance in the price of beer seems to excite in Germany as readily to riot or rebellion as in England an arbitrary tax that touches the pocket or in France a scarcity bread. One can read complacently of the wrecking of sixteen breweries in Frankfort ; but it was a very different matter when the moters passed from beershed to bleodshed. The sad result of this beer-bibing phrenzy was twelve persons killed and forty wounded.
