Let us flee to their succor." The result was the collection of more than \$3,000.

Edwin, a ence popular English actor, credited with the authorship of the briefest of sermons, his text being : s born to trouble as the sparks fly der three heads : First, man's ingress into the world; secondly, man's progress thro' the world ? and, First-Man's ingress into the world is

naked and bare. Secondly—His progress through the work is trouble and care.

Lastly-His agress out of the world is nobedy knows where. If we do well here, we shall do well there; I can tell you no more if I preach for a

The last time Justice Foster went on circuit he dismissed the grand jurymen to their work with : "Gentlemen, the weather is extremely hot; I am very old, accepting any or none of the Tenders of and you are well acquainted with your fered.

R. W. SCOTT,

In an action for slander, Justice Cresswell put the case to the jury in the emphatic words : "Gentlemen-the defendant's a foul-mouthed fellow. What damages?"—an example of judicial brevity only to be matched by Baron Alderson's address to a convicted prisoner who prayed that God might strike him dead where he stood if he were not innocent. After a moment's silence, the judge sternly and coldly said : "Prisoner at the bar, as Providence has not interposed in behalf of society, the sentence of the court is, that you be transported for the term of twenty

An American Judge once intervened in an odd way to prevent a waste of words. He was sitting in chambers, and seeing from the piles of papers in the lawyer's hands that the first case was to be hetly What is the amount in question?" "Two dollars, said the plaintiff's counsel. "I'll pay it," said the judge, handing over the money "call the next case."

William Grant, who, after listening for a direction, five miles further. couple of days to the argument of counsel as to the construction of an act, quietobserved when they had done : "The act is repealed."

One morning a woman was shown into Dr. Abernethy's room; before he could speak, she bared her arm, saying: "Burn," 'A poultice," said the dector. Next day she called again, showed her arm, and said : "Better." "Continue the poultice Some days elapsed before Abernethy saw her again; then she said; "Well, your fee ?" "Nothing," queth the great medico. 'you are the most sensible woman I ever
