Within a week "O, he's a Sir. Well, somebody ought the subscriptions of stock were doubled,

-We direct the attention of our readers) to the advertisement of the National Life Insurance Company of the United It is a very strong stock company, with its large capital of one million dollars paid up in full. Though only organized five yaars ago, it has already written 21,000 policies. The deposit of this company with the Government is for the benefit of Canadian policy holders only. For every \$100 of liabilities the company holds \$182 of cash assets, and has been endorsed by the Corporation of the city of Montreal, who pay the company over \$1,000 ticed that in character, stan ing, and fir on a rainy day in the country. nancial ability, the Board of Directors are simple and business like. No uncercations. Mr. Magurn, when here last winter, wasvery : u cessful, obtaining more ried off the company's prize of two hundred dollars. Making Kingston his place of office and residence, he will conduct the agencies of the company between ergies and capabilities, we are sure he will April 28th of this year do so to the great advantage of the company, and satisfaction of policy holders.

last night until day light this morning the mentary Government a farce. LECTURE. - The Rev. Mr. Manning, fire raged with intense fierceness, gatherwho lectured in the Victoria Music Hall | ing volume and violence each momen'. The sky in the vicinity of the calamity NEW WALL PAPERS from the air shaft to a height of 100 feet. All through the night there were explosions at intervals, preceded by a rumbling weather; it is warmer to-day. We do noise resembling thunder. The weary watchers who remained around the air

explosions were followed by one which for St. James' Church, Pittsburgh, at 3:30 terrific violence and destructive force p.m. His Lordship will also preach in | dwarfed all the rest. All the wooded works in and about the main slope were instantly destroyed. Stones, wood and burning embers were driven high into the air. Smoke, flame and horrible noises ac-

companied the explosion, giving the beholder a vivid idea of volcanic eruption. Bupers. The earth for miles around was shaken with the violence of the explosion. People living at Westville and Stellarton were very much frightened, as they knew not are saddening. Westville and the village

at Drummond Culliery are in mourning. done. Men and women wander about in Their saddened countenances beteken the great chief that has fallen upon ten. No pers in can correctly picture the harrowing scenes of yesterday when the terrible truth was conveyed to the mourning wives, sisters and friends of CORNER BROCK AND BAGOT STS. those who were so suddenly hurled into eternity. People rushed frantically towards the scene of the disaster.

Four men volunteered to descend into second explesion which immediately followed. One of them a miner named Ed ward Burns was driven into the air a dis-

mine for some of the unfortunate men.

Glimpses From the Gallery.

The Halifax Chronicle has a lively reporter in the Gallery at Ottawa. Here is the way he writes : The otherday there was a Yankee in the gallery, an American newspaper man, the "live genus." He had dropped in, i f John C. Chamberlain, Capt. of a promisenous way, just to see what our Lines. capital and parliament were like. He

listened attentively, took many notes, asked many questions, and made a good many free and easy comments on the place and the people. "Your house seems to be a dull affair, he remarked; "none of the members make orations like our folks. Here you talk law, logic and busi-IMMIGRATION AID, -"Kingston had ness.
