# A Short Trial.

NEW YORK, June 17 .- Four negroes who murdered two men and plundered and burned their store near New Iberia, Louisiana, on Friday last, were arrested this morning. One of them turned States Evidence, and confessed that the murder was planned a week before. The prironers were placed in New Iberia gaol, whence they were taken by a crowd of a hanged, all confessing their guilt.

News of the Day. There was only one well defined fatal case of cholera in Cincinnatti to-day. N. Schnell, aged 50 years, hardware merchant merchant in Philadelphia, sui-

cided by hanging to-day. A French steamer arrived in Havana to-day with 500 Chinamen on board, 175 having died on the passage.

The Commission House of Taylor Bres. & Co., St. Louis, suspended to-day. Chas. J. Cloak, for killing his wife at-Philadelphia, was convicted of murder in the first degree, with a recommendation to mercy.

### WESLEYAN CONFERENCE,

MONDAY'S PROCEEDINGS. Dr. Ryerson read the reply of the Con-Missionary Conference, and to the ap-

nuence of the modifications made in the preceding sections of the report. The eight clauses organizing the General Missionary Society were with slight emendations accepted. The missions in British Columbia, Red River, Hudson's Bay 100 acres in Storrington, committed sui-Territory, and the newly formed Japan eide near his home. He was labouring mission, are to be annexed to the Toronte Conference. The entire report, em- under a fit of temporary insanity. en bloc to the vote and accepted without a dissentient voice as the future Constitution of the Church. The whole scheme is to be submitted to the English Conference for approval, afterwards to the Conference in this country for the purpese of obtaining a majority of their votes, and finally to the next annual meeting of this Conference, when, if the scheme be approved, the whole thing will go into actual operation.

An official communication was received from the New Connexion Conference, accepting the report on union with the Canada Conference. Dr. Douglas moved, and Rev. A. Hurburt seconded, that the Constitution we

have passed be the Constitution of our Church irrespective of the action of other bodies. Carried unanimously, amid repeated cheers. The lengthened debate then closed.

THE PROPELLER "AFRICA."-The new THE RE-OPENING. -Letters from the propeller Africa, which has just been completed by Messrs. William Power & Son, of Kingston, for John Proctor, Esq., of Hamilton, and Captain Paterson, Kingston, arrived in port yesterday, and we can confidently pronounce her the queen of all" affoat upon our waters. The Africa is built as large as the Wel- | H Club will be held at the ANGLOland Canal will permit of, and as far as AMERICAN HOTEL, on FRIDAY model, material, skilful workmanship and | EVENING, June 20th, at 7:30 p.m., on finish are concerned, ranks first-class, and | business of importance. the builders as well as the owners have just reason to be proud of her. There are many new features introduced in her construction. Her planks are put on tabling-that is dovetailed one into the of a Missi sippi steamer than a lake propeller; it is entirely panelled work, and the graining is something very superior. About forty passengers can be accommodated very comfortably. The engine and machinery were put in by the well-known firm of Messrs. Davidson & Doran, o

engine : cylinder thirty-six inches diameter, and thirty inches strokes. Capt. Paterson, who will command the vessel does not need one word of introduction to our readers, as he is known to almost everybody in Hamilton as one of the best and most obliging officers on the lakes. The Africa will, we think, be the fastest propeller afloat in Canada. She made splendid time on her trial trip up, not withstanding that she was perfectly light and for some hours had to contend against The first eight miles after leaving Kingston was made in ferty minutes, Block.
