TIP TOP HOUSE,

July 10, 1873.

ORANGE INCORPORATION-

It is greatly to be regretted, for t sake of social harmony, that Tory demagogues throughout the Province have at tempted to stir up bad blood between Orangemen and Roman Catholics by making the reservation of the Orange Bills by the Ontario Government a text for incendiary harangues. For the purpose of making political capital they have magnified a very trifling matter into a great grievance, for ratification, which shall include the ter have done nothing which is not per- apparently so isolated from the world of of life. names of Senors Esteranez, Cala and Na- feetly defensible to every reasonable man care and fatigue, so completely removed The Convention was closed with praise varretta. It is believed that the Right | who will investigate the matter from a from all the dusty, dirty unpleasantness and prayer. It is perhaps needless to my will be of the very shortest descripwill present to-day a resolution of cen- non-partizan stand-point. In the first of ordinary days, above all so invigorated speak of the pleasure which was generally sure against the President of Council of place, it is untrue that the Government by the glorious atmosphere, that for once felt, and the harmony which pervaded all Ministers which the Left and Centre will opposed Orange Incorporation. It was he feels that happiness is his, and that he the session.
