Thousands of people are now carelessly allowing themselves to drift through the preliminary symptoms of consumption, under the fatal delusion that they are tronbled with nothing but a "slight cold." How necessary is it, then, that a cold should be cared for from its incipiency, and every exertion used to get rid of it. "Bryan's Pulmonic Wafers" will stop the hacking cough in a few minutes, and by their influe ice on the bronchial and pulmonary organs all fears of dangerous results will soon be dissipated - but they must be taken in time. residing in the vicinity of Keyport, N.J., and who buys up horses for the New York market, purchases 'Darley's Condition Powders and Arabian Heave Remedy' by the dozen and feeds it to his horses; he says it is superior to anything that he has ever used as a condition medicine, that the horses are so much more improved by its use to sell more readily and command higher prices. Two other horse dealers, one residing at Huntingdon the other at Glen Cove, L.I., also purchase it by the dozen and for the same purpose; these men, as well as many others similarly engaged, know too well the value and importance of this medicine ever to be without it.
