OUR FREE GRANT TERRI-

All ready! and we find the Waubuno with steam up, waiting for her passengers, who are hurrying from an early breakfast, and some without any breakfast, as we start precisely at seven in themorning. There is quite a crowd preparing to ke p 4.05 p.m. us company, and it is easily perceived 6.00 a.m. | that most of them are going with solid SPICED SALMON, intentions, as they are thoroughly equip-1.35 p.m | time. These are intending settlers and 5.15 a.m. | land seekers. They are about making a first essay in the back-woods, and are cheerfully reconciled to the future. There are also families on board, with their limited stock of domestic necessities; and forward yonder are several teams of hor: ses and oxen, while carts, waggons, plows and farming utensils generally crowd Shrip Paste, &c., at the every available space of the lower deck. All these are encouraging indications of OLD HOUSE OF INDUSTRY. - The sale | what may be expected after the lapse of of this property was not affected last ev- a few years. But the last whistle has sounded and the lines cast off. Slowly the Waubuno backs out of the long slip In SEASON.—Get your guns ready. and swings her bow round towards the Duck shooting begins to-morrow, the east. Just to the left are the "Hen and Chickens," three small islands, the only ones in the harbor, and containing a light house and other marine necessities. Beyond lies the wreck of the propellor Mary ing, being engaged for the Masonic Ban- Ward, still in a good state of preserva-

tion. The low lands bordering the coast are dotted over with dwellings and tem-They porary buildings, while "the mountains, as the considerable elevation is called, forms a pleasing background, being clothed to the summit with a thick wood, and MOONLIGHT EXCURSION .-- The post- showing cleared openings to diversify the poned Moonlight Excursion of Bethel scene. The eye follows the coast in a TAKE NO Lodge will take place on Monday even- gradual curve to the westward until it ing next; when better weather is hoped fades from view amid the blue haze of morning until resting upon the earth. To the right lies Nottawasaga Bay, a POLICE COURT, Thursday. - Two drunks part of the great Georgian Bay, which with distinguished names, Jumbo and sweeps several miles inland, and is just now smooth as a mirror. Directly before us a bold promontory juts out, showing a rocky formation and rich foliage. A large island lies a short distance from it, with a light-house upon the west end, and separated from the mainland by a narrow and picturesque channel. The captain, just to accommodate his passengers, consents, to take the "inside route," though it is TO LET, a comfortable house on Brock Through an omission of the printer, the considerably the longer, and by this | Street, near Clergy Street, lately oc-TAILORING in all its branches care- 8th table, presided overby Mrs. P.
