The efficacy of these Medicines in the treatment of Indigestion, Bronchitis or Pulmonary Catarrh, Consumption, Wasting, &c ... depending entirely upon their purity and strength, Messrs. SAVORY & MOORE caution the public against Imitations of them which are set forth as possessing the remedial properties of the true preparations, but which are in reality either saponaceous compounds, ointments or pomades without a trace of the Pancreatic principle and entirely unfit and useless as medicines. These imitations are calculated to produce serious
