GREAT LOSS. -- We regret very much to learn of the total destruction at Hamilton of the fine residence of Mr. Wm. Murray, a talented literary gentleman, whose contributions to the press frequently appear in the BRITISH WHIG.

Shows. - The dog-days are over, in proof of which the business agents of the showmen begin to appear. They have eyes to success and are pleased with the cool weather, which will enable the people o gather in the places of public amusement without discomfort.

CRICKET. - The match yesterday was one of a single innings, as there was not time to play it out. Prescott's score of 114 was all potent for victory, but it was won by exceptional tactics, playing in barndoor style, and running up a score on byes and other extras.

NOT AFRAID, ACKNOWLEDGE. - The London Base Ball Club made a howling charge JUST RECEIVED of cowardice against the Kingston Base Ballers because they would not play the SWEET POTATOES, sports of the Forest City when on their grand tour. The Londoners did not give theKingston men credit for being used up and discouraged by the bitter antagonism in the matches they had played, but thought they must be afraid. Kingsten was not much frightened. It met the Tecumsehs on short notice and gave them a defeat on 19 to 1. Will that settle the

matter ? RUNAWAY. - It created a sensation on King and Princess streets yesterday afternoon. The "fleetest" was a carter's horse, singular to say, for they are not all lively pacers like this one. The runaway was worth seeing, all will agree accept those ladies on one of the crossings who had an escape so narrow that they will naturally for a few days look up and down the avenue before they again to attempt to cross it. The carter's truck, in sad, wheelless plight, lies on a corner. The horse is receiving slight repairs to a ruffied
