The best men of the district are the managers of the Exhibition, and Kingston agriculturists and live stock breeders should attend and compete. The arrangements are excellent. The prize list and particulars may be seen at this office.

BAD WATER. - A resident of Gore street has had his wife and servant taken serisualy ill with fever. For a long time he has had reason to complain of the bad state of the water received through the Charges moderate. water works pipe by which his residence is supplied, and to this he reasonably ascribes the double case of fever, since unclean water is the most prolific source of these complaints. Some of the water drawn from the pipe was shewn to-day ; it is greenish in color; and thick wti dirt. It is not always as bad as that, but Monumental Scotch Gr A LL persons who are fond of a good is so very frequently, when it cannot be used. At no time is it really wholesome. There is a leak in the pipe from the sewer or street somewhere near, and the Water Works Company should either have the pipes cleansed, the leak stopped, or filterers placed in the mains. It is only fair.

The Signs and Awnings.

Great is the interest just now in the sign crusade. The shop keepers are arrayed in two parties—signs and anti-signs, N.B.—Parties requiring Champagnes that is, against signs which project.
