The Missing Steamer Ismailia.

Some alarm is felt in regard to the missing ocean freight steamer Ismailia, of the Anchor line, no tidings having been Mayor's Chambers, City Hall, I heard of her since she left New York September 29th last. She is one of the finest vessels of the transatlantic marine. The agents in Glasgow are still sure that nothing serious had happened. They think put her under sail, and as the weather and wind are very changeable at this seafurther obstacles in reaching port. The Ismailia is a freight vessel, and is comparatively new. She is of 1,500 tons bur-Bookstere. den, and fitted with engines of 500 horse power. She had a crew of about forty men, with a full cargo of assorted good. She cost \$200,000 in gold, and, should it turn out tha she is lost, the full loss will fall upon the Company, as she is not it none of the outgoing or incoming steamers

> IMPORTANT CAUTION. - The wonsumption, wasting, loss of the power of digestion and assimilation has firmly established these remedies in the estimation in the Medical Profession on both sides of the Atlantic. Imitations of them - made in U. States, Canada, and England-being in reality either saponaceous compounds or pomades, without a trace of the Pancreatic principle, are entirely useless. The efficacy of these preparations, made by Messrs. Savory & Moore from the first, under the direction of the Physician who introduced them, has been and can only be ensured by strict adherence to the original formulæ, and the medical profession recognize no other Pancreatic Emulsion and l'ancreatine than those thus prepared, the purity and strength of which is guaranteed.
