The early closing of the Canada route is a proof that we have a great natural advantage in a milder climate, which we should not fail to improve." Alas! while these lines were being penned Jack Frost was already at work on the Erie Canal, and by next day came word from Schenectady that navigation was virtually at a c'ose and numbers of vessels jammed in the ice. The N. canals, this winter at least, appear to have had no advantage over those of Canada as regards immunity from freez-

> SMALL-POX IN TORONTO. - Almost daily new cases of small-pox are reported, and men to keep the matter quiet, not a few and Elizabeth Streets, and in the northwestern part of the city.

A Mr. Leader, an Irishman, who holds a commission in the Carlist army in Spain, lately lectured in Dublin Ireland. to show the merits of the cause of Don about two hundred nationalists in the gallery rotten-egged the lecturer and cheered for the Spaniards whom he denounced.

## Breaking up House.

Housekeepers desiring good bargains furniture cannot do better than go to O tawa. Easy chairs in which honorable Cabinet ministers a month a o recline their weary limbs; tables at which honormy slippers before the fire in my room at hundred and fifty per cent. The last Some youths worthy of ranking with the able ministers supplied the inner man in ding to its recovery will be liberally rewith the necessary bread, beef and beer, if ministers ever condescend to such gross food; beds on which honorable ministers challenged me to meet him. You have him over. [Mr. Farrar indignantly de- intrepidity and talents, whom Canden made night hideous with nasal music-all are going off without reserve under the speaker, and that Mr. Hooper is no it. [Loud cries of "proof, proof."] Well, this versatile intriguer was, however, en- anctioneer's hammer. The ex-ministers speaker.
