When beards grow hoary round the mouth; When wild fowl seek the sunny South When skipping lam's forget their youth,

And hungry wild beasts roar;

When fleecy flakes begin to fall;

When stoves enliven up the hall When Arctic John reigns over all Stern Winter's at the door !

When "rubbers" are becoming dear,

Cold Winter's coming on ; When everything on wheels must rest When sleighs are reckoned better, best When all at once a magic rest

la shown for fcy John. When flowers and forest leaves are gone; When water changes into stone; When dread musquitoes, skin and bone, Are off their sunny stage;

When skaters rush their skates to claim;

When curlers try the roaring game; When maidens try to change their name, The storms of winter rage. But, though we lose the shady bowers-The balmy days and birds and flowers-

A thousand blessings still are ours In earth and sky and sea; Each changing season yields its joys; Contented hearts can still rejoice, And in blest Nature's every voice Unite exultingly.

But let not us, who dwell secure, Forget the homeless, starving poor, Who stand and shiver at our door : Alas ! no joy have they. From thine abundance help to feed The poor in this their time of need, And thou shalt ne'er have cause to dread

Without reflecting upon other Advertising Agencies, we may say that Geo. P. Rowell & Co., No. 41 Park Row, New York, are deserving of success, and have achieved success. They do business on true business principles, pay on demand all that they agree to pay, and combine untiring energy with promptness, system and carefulness in details. From a small beginning they now stand head and front above all competitors. - Iron World and Manu-

NOW ERECTED IN THEIR SHOW Coughs and Colds, when left to themselves, frequently bring on pulmonary complaints, which lead to that distressing and fatal disease, consumption; but if attended to in time, "Bryan's Pulmonic Wafers" are a certain remedy. They stop the irritating cough, and southe and strengthen the bronchial tubes, allaying all irritations and inflammation. They are also particularly adapted for the use of singers and public speakers. Sold by all druggists and country dealers. Price 25 cents per box.
