The Depression of Business,

The darker features of the depression in business in large commercial centres are beginning to obtrude themselves upon public view. From sources the most retable it appears that in New York young girls by the thousand have been suddenly igh price of board they have been able or rendered too unpalatable to be eaten to save little, and now winter and cessa- by decent people. By following ion of work have come together. Many method the insects can be entirely kept at can live for a few weeks on credit, and a distance, and it is very simple, and withwith the help of their friends; some are in reach of almost every farmer in the already forced out of their lodgings, and country. After the meat has been well are applying at the various shelters of cured by pickle and smoke, take some charity, others go to the station houses clean ashes free from bits of coal; moisten and spend the nights on the hard floors. | them with a little water so that they will the partic, remarks one writer, are the lit- little, and rub on the dry ashes. Rubbed tie children, whose sharp faces and ragged in thoroughly they serve as a capital inclothing begin to give a new and touching | sect protector, and the hams can be hung interest to the thoroughfares. Any father of a family of the fortunate classes can im- | without any danger of molestation. agine what it would be if his child, who had been nurtured so carefully, was anddenly, by his misfortune, thrown out to cold and hunger and bitter poverty. And yet how many hundred little ones in thi keen winter are cast upon the streets by these sudden reverses, seeking a home or bed in the station houses or in old barges. and exposed to frost and storm, till they discover the humane shelter provided for them in lodging-houses of the Children's Ail Society. There may be seen any evening hundreds of homeless boys or girls who have been suddenly left to the cold mercies of the world, and who go in for a warm shelter and good bed, and are cared for, instructed, and finally sent to distant

HOW BAZAINE ONCE SAVED HIS JUDGE. - "X." relates in the Norfolk Lundmark tound in Veron's reministences, souvemirs, and his or etti of Trianon, is the following anecdate told by a very aged man, r o was once under other regimes an attac e offshe place. "It was in the spring of ABLY with any dealer in the city, of 1832," said the old man, "and Louis may be had at Paillippe had run down to Trianon, accompanied by several of his children. One of them, a lad of ten years of age, tired by the close confinement of travelling, as PIC.LER, SAUCES, &c., &c., every res non as he got well on the grounds, in quisite for the coming festive & ason. spite of the admonitions of his tutor, startover the garden, and in his headlong gait stambled very unroyally into an artificial vice' who had been taking a turn in the The young prince, shivering with cold and dripping like a drowned rat, ITALIAN WAREHOUSE. They must notify their intention not later than the 18th inst.

| They must notify their intention not later the same Triange to the same Triange t Marshal Bazaine, who was then simply Moral -The County Courts of this the Sergeant Bazaine who saved the

Gold in Washington Territory.

A good deal of excitement has been created in Washington Territory by reported discoveries on Swank river, and already several hundred miners are at work POLICE COURT, Monday .- Little busi- | there. The Swank river, a branch of the ness to report. If the police don't hurry Yakima, is twenty-five miles in length, and from its source to its mouth rich indications are tound at all points, as also cases for them. Jas. Caughey, drunk on on its small tributaries and in the sur-Sunday, which is \$3 worse than being to rounding hills. It is said that specimens so on Saturday, was fined \$5 and costs. | from these places have assayed \$14.50 the ounce, and that prospectors have picked VALUABLE FARM up solid lumps of gold weighing from half an ounce to an ounce. The cost of living on the Swank river is almost as low as at Portland, Oregon, flour costing only eleven dollars per barrel, while other necessaburgh, was scalded so severely on Tues- ries of life are to be obtained at rates proday last that it died. Mrs. Kirkwood portionally underste. The mines are tioneer, at his Sale Rooms, Market Square, entily accessible, and if the favorabe re- Kingston, on the EVENTH DAY OF ports of their productiveness should be FEBRUARY NEXT, at 12 o'clock, Noon, contirmed, here will doubtless be a great the East half of Lot No. 1, in the Lich Conrush thither in the spring from all parts cession of the Township of Wolfe Island, of Washington Territory and Oregon.

PAYMENT OF SMALL DEBTS .- The ability of nearly every man to pay his debts depends upon his ability to collect debts like these a public as well as a private dark and twelve men are thus relieved o
