Thursday Evening, Dec. 18, 1873. CITY AND VICINITY.

Whatever significance may be in the The above goods are all a choice lot of fact it is nevertheless true, that all those real Parian Marble from Staffordshire, who in this country have any annexation of Concertinas, or independent proclivities, naturally ally loile Setts, Liquor Setts, Wine Bottles, Linemanives with the Party at present in Firty Dozen Knives, Table and Carvers, power. - Ringston Daily News.

Of course. Sir A. T. GALT is a Gri . Mr. WILLIAM MACDOUGALL is a Grit. Mr. JOSEPH HOWE WAS a Grit. All Grits. Certainly.

NARROW ECAPE .- John Elliott and George Waddington, cattle dealers of this city, while driving near Harrowsmith, yesterday, were attacked by a monstrous black bear. They had a very severe struggle, after which by their muscular exertions they managed to kill the ferocious animal. It was a bare escape. The surinjured in several places.

COMING TO THE FRONT. - Canada man facturers are not behind. The beautiful organs made by the Organ and Piano Company, Toronto, are a credit to the enterprising firm, remarkable for purity. TO EST Brands in LIQUURS. volume of tone and finish. The reader can be convinced of the truth of this statement by calling and hearing them for Every article New, Fresh and Desirable, yourselves at Reyner's Music Store, Princess street.

At Prices to Defy Competition THE "AUBORA." -- Such is the title of a Particular attention is called to our Stock | new eight page journal, issued monthly of FRUITS, which will be made a speciaby Aibert College, Belleville, printed and published by the Ontario Publishing Com-Call and examine our Stock of TEAS. pany. It is very neat, indeed, in apwhich for value cannot be equalled by any parance, and yet is still further to be ty- will soon be obtained by the erection of Bear in mind that it is a new store and pographically improved. It is not only a two new elevators. consequently the goods will be Fresh and credit to the college in its handsome and \_\_Smith's Falls lawyers have petitioned ample form and in the matter it contains, tie editing being also careful and capable, but also a credit to the jublishers.

POLICE COURT. - Hugh M. Gark, drunk, was discharged. This is what he likes best next to a good snifter. In additito the anowballing case, there was also years. one against Peter Rourk for beating his wife. He was fined \$5, and not having as much money as combitativeness, went to gaol, where he can ruminate over the failliquor without license was preferred against a man named Cockade, who lives in Murney Tower, where dances and rafflue are in order, making it dangerous to

have the military powder stored there. ----SNOWBALLING. - Yesterday 21 New Songs with Chorus and young man of respectability got on bender very foolishly, and acted very upreariously, as inexperienced swipers do. of the police detected him just as he was in the act of hurling one of the missiles TON'T Forget to Write to Me, Darling. at Rev. Father Boyle. He was arrested, and this morning Mr. Strange, the Police Magistrate, made a fitting example of him by fining him \$20 and costs, apologizing at the same time for his inability to increase the fine owing to the limit fixed by the statute. There is less snowballing likely to be done in the streets after this. The P. M.'s levees are not attractive entertainments for lads generally. There has been altogether too much liberty enjoyed by boys in the past.

Railway Wharf-Schooner Arabia,

ROLLING ON. GRAND TRUNK RAILWAY Kingston and Pembroke Rail

> Nash, the chief engineer, has been here several days locating a portion of the road through Milo Lake Valley, which lies south of Calabogie Lake in the county of Renfrew. Accompanied by a foreman of works, he started a gang of men clearing the road on the 2rd inst., and to-day the first barrow of earth was tilled and wheeled into place by Mr. James Barry, one of the many warm friends of the road, the oldest VARIETY HALL I municipal officer in the neighborhood, as weil as one of the oldest residents. There speeches or spectators, the only persons present being the foreman of works, Mr. Ecoutt, a gang of railway "navvies" and the chief engineer.

The day was one of the finest of the sason, the place pleasantly romantic, sitnated in a deep gorge of the Opeongo hills, a rappling stream of water close at hand furnished music and refreshment, and a York, Boston, and Oswego will be closed gentle breeze rustling through the stately pines inspired a feeling of solemnity. Altogether the occasion and the scene

> were ones which will be long remembered with pleasure by those who participated

> people here, true to their own interest, nearly every one giving land for construction and station grounds free. Among them may be mentioned Walter Yuill, James Barry, John Wilson, Dennis Dilbu and M. Ryan.

People who den't advertise in these progressive times do not seil cheaply.

Narrow Escape from Suffecation.

Susquehanna Depot, Pa., December 15. -Seventy children attending school at Oakland, a little village near here, had a parrow escape from suffocation from coal gas on Tuesday morning. The presence of the poison in the air was not known to One Price Only. Dry Crushed He snowballed folks generally, and some the teacher until about eleven o'clock, when the smaller children began to drop from their seats to the floor, where they greatly alarmed, announced the dismissal of school, but not over half the scholars Come One, Come A'l and could get out of their seats, and the re-As quickly as possible they were dragged into the air and laid on the ground. A air, but twenty seven remained uncon-

few of them revived on getting into the scions. A physician was summoned, who succeeded, after long and persistent effort in reviving all of them. One little girl was three hours insensible. If they had DRESS GOODS, remained in the school-room but very litte longer, half of them at least would have been past relief. Several are yet very sick from the effects of the g. a. The foul air was driven into the room by the stave-pipe having by some means been jammed against the back of the chimney, preventing draught.
