## SPECTACLES par EXCELLENCE

ONG practice in the sale of Spectacles has shown the want of a Perfect Lens in a light and desirable Frame.

Students, Lawyers, Judges, Bookskeepers, and all whose eyes are excessively taxed can be helped by Tinted Lenses, now recommended by the most eminent Physicians for weak and disordered vision. All these requirements are met in a newly invented SPECTACLE which the undersigned have the pleasure to offer, in White, Light, Blue and Violet Tints, of every Focus, so that all possible satisfaction in fitting the Eye can be guaranteed.
