places in Canada concerning which information is mere complete. I have visited and carefully examined the locality. been postponed to that time. - Re-Cataraqui bridge, at Kingston, still pre- corder serves the Indian mane of the Fort, which stood within the limits of the city; very near the western end of the bridge. It was captured by Gen. Bradstreet in 1758. after which it lost its former importance.

The impression that the fort on Carle-ton Island dates back 150 years is certainly erroneous. Apparently this island is the same which the French called Isle Johnland." In this part of George Eliet's aux Chevreuil. At all events there could not have been any fortified fort of any consequence here before the old French war. Even ther, I know of no mention strongest she has yet written. The poe- of this or any neighboring island as occupied for military purposes, except in one Gordon explorations instance, when a guard of twelve men is 29th Dec. 1876. reported to have been stationed here. They were sent from Fort Frontenac. The remarkable works of which the remains are now so conspicuous must have been of later date, and of British origin, Fort Carleton was held by a small British garrison in 1812, when, at the outbreak of the war, it was seized and occupied by American militia."

AN UNQUALIFIED FALSEROOD

A few days ago ago the Star of this city published an article accusing a prominent lawyer of Cornwall, and a son of a former eminent Premier of Canada, with having seduced the beautiful daughter of a prominent banker in this city. person who read it could not help identifying the gentleman referred to, and hold had retired, thought he heard burglars knowing him to be engaged to a young in the cellar kitchen. He sneaked down lady in Montreal, associated that lady's TEMPTING .- L. H. Daniels, the hotel the stairs and cautiously approached the name with the scandal. There is not a man of Prescott, has engaged the Hol- pantry whence the rattle of the plunderer word of truth in the villainous article, prietors of the Star will have been arrasted for criminal libel. The Hon. J. J. doubtly attractive by announcing that his father with a lamp in one hand and C. Abbott, Q.C., and Mr. Kerr, Q.C., the holder of every reserve seat ticket a hunk of bread in the other. The old are taking action on behalf of the Cornwall gentleman and his intended bride. The scandal is the talk of the town, and supper after the performance. Yum! "grub," but he had no idea he was being the authors of it are handled without gioves by all respectable citizens.-Montreal Telegram.

RAILROAD STRATEGY.

The little village of Philadelphia, at the junction of the Rome, Watertown & days many have been marketing the fuel shareholders for the election of Directors Ogdensburg, and the Utica & Black River in the morning, returning home and be- in Toronto on Wednesday, the 5th of Railways, has become a stragetic point April. Next winter probably, at this of considerable significance. There is a time, we shall be riding on the cars, and great deal of manoguring between the rival reads to prevent connections instead hear the refrain which dingled so music- of aiding them. It is hard to tell which line is the more aggressive on good nature, in the general acceptance of the term, but we know very well that a passenger on one of them was obliged to travel on foot over fifteen miles one day last week owing to the little unpleasant ness between the two roads. May the best win the Centennial trade, but don't make a poor suffering passenger walk, when the said one is only forty years old, and has never before set his foot in a railroad oar .- Recorder.
