# SPRUCE GUM SYRUP

AND

**Other Patent Remedies of the Sisters of Providence.**

THE Sisters of Providence believe it their duty to announce to the public in general, and to Druggists, Grocers and other Merchants in particular, that they have decided, in the interests of the poor, to continue the sale of their various patent medicines notwithstanding the obstacles that have been raised against them, because they have in view only to procure for themselves some means of relieving the suffering members of Jesus Christ, and because they consider, besides, that they are perfectly in the right.

It is, therefore, with supreme regret that they see themselves hindered in the steps which it is necessary that they should take to gain their object, by persons who, not having to occupy themselves with the case of the poor and sick, and who, moreover, have only in view their own interests and those of their families, employ threats of prosecution before the Courts of Justice, and who even have recourse to these and other extreme measures so as to prevent them drawing profits from their industries by preventing them to sell their patent remedies.

As these threats tend to injure infirm persons whom Divine Providence has confided to their care, in dissuading those who have the charity to encourage them from buying these remedies, as they were accustomed to do before they were frightened by such threats, the aforesaid Sisters find themselves obliged to declare publicly that they are determined to endeavour, with all their strength, to multiply, by the sale of these remedies which they manufacture, their modest resources for the relief of the unfortunate.

Full of confidence in the justice of their cause and entirely convinced that they infringe on the right of no one soever, they venture to assure all benevolent persons, who are accustomed to encourage them by purchasing the said remedies, that no one can disturb them. They prefer to declare to them that they hold themselves responsible for the damages which would be thus caused, if any should be incurred in this respect.

# SPRUCE GUM!

**As Prepared by the Sisters of Providence, Montreal and Burlington, Vt.**

IT IS THIRTY YEARS and upwards since we commenced preparing this Syrup under the present name and during this time we have given away to the poor and sold many thousand of bottles. It has been only at the earnest solicitation of our friends, of all classes and denominations, that we have considered it our duty to put it up in a shape suitable to be sold on the market, by this means reaching all who may need it. The formula of the remedy is well known to medical gentlemen of Montreal, and approved of by them as one of the best remedial agents known to the medical faculty for the cure of Coughs, Colds, Hoarseness, Pains in the Chest, Disease of the Lungs, and all Pulmonary affections.
