FREIGHTS. -The time being near at hand when vessel-men will again seek fortunes or failures in the marine line. Re. The question of freights occasionally crop up. In this connection a contemporary writes: The season of 1874 and be presented the intensely interesting and 1875 were as unsatisfactory as it was possible for them to be. Freights ruled low, and the amount of property moved was not equal to the capacity of the Or, THE FATE OF A COQUETTE shipping. 'Will the season of 1876 be any improvement on that of its two im- To conclude with the side splitting Farce of mediate predecessors? is the question Peter In Search of a Wife! CITY HALLI to their own satisfaction. The present outlook is not as bright as could be desired, but it cannot be denied that the
