GOING TO SLEEP.

The light is fading down the sky,
The shadows grow and multiply,
I hear the thrush's evening song;
But I have borne with toil and wrong
So long, so long!
Dim dreams my drowsy senses crown,
So, darling, kiss my eyelids down.

My life's brief spring went wasted by,
My summer ended fruitlessly;
I learned to hunger, strive and wait,
I found you love, oh, happy fate!
So late, so late!
Now all my fields are turning brown!
So, darling, kiss my eyelids down!

Oh, blessed sleep! Oh, perfect rest!
Thus pillowed on your faithful breast;
Nor life nor death is wholly drear,
Oh, tender heart, since you are here,
So dear, so dear!
Sweet love, my soul's sufficient crown,
Now darling, kiss my eyelids down!

J. NICHOLS, Clerk.

TOWNSHIP OF KINGSTON.

DEAR WHIG:—Look ahead for lively times. On Monday last, at Cataraqui Hall, the Court of Appeal for the Township of Kingston took place. Mr. William David appeared against the assessors, councillors and others as being assessed too low. First, he required the assessors to be sworn as to their valuation of the books of the whole assessment. Several appeals were investigated and disposed of, and one gentleman, who had a very desirable and valuable farm, was put in the box to give evidence as to its value. David thought as that gentleman when seeking municipal honors had been heard to express himself as of fair ability to judge and decide between parties and important matters that might come before him; that he would be a competent person to give the value of his place in addition to having improved it for years by building outbuildings and a fine dwelling, but when questioned he found that apparently he knew little about it. David failed to get an answer, as witness could not form an opinion to any value. The Court adjourned until Monday, and the Reeve will doubtless post himself, whether by virtue of his office he has the right to make out an order of commitment for contempt of court in case of other similar acts. THE LICENSE LAW.—A number of unlicensed tavern keepers assembled in Albert Hall, Toronto, to receive the report of the committee appointed to wait on Hon J. H Cameron to obtain his opinion of the License Act. Mr. Cameron was of opinion that the present law as passed by the Provincial Legislature was unconstitutional, and that no man who had proper accommodation according to the Act of 1874, could have his license taken from him. A committee was then selected to collect funds for the purpose of carrying the matter into the courts."

A TRAVELLER.—Should always carry on a journey, to use in case of sudden indisposition, caused by taking cold, by change of water, bilious attacks, &c., a bottle of STANTON'S PAIN RELIEF, which can always be relied upon, to give immediate relief.

THE ABYSSINIAN WAR.—The fate of the Egyptian army in Abyssinia is exciting much comment. The war has doubtless been finished. About 8,000 soldiers have arrived at Suez. These with others are now on the way there, and awaiting embarkment at Massowah. In all, about 15,000 are said to be all that may be expected. This leaves about 15,000 unaccounted for. Several thousands were doubtless killed in battle, and the remainder are unable to leave because of wounds. The battle of November last caused the complete annihilation of one regiment, numbering 600, of whom only eight returned to Egypt.

ROYALTY.—There were 250 presentations at the Queen's Drawing Room on the 12th inst., a large number of the aristocracy were present. The Prince and Princess of Wales, Princess Beatrice, Princess Louise, Duke of Connaught and Duke of Edinburg also attended. The Prince of Wales held two levees for the Queen on the 10th and 22nd. The first State ball of the season at Buckingham Palace took place on Tuesday, the 23rd.

ANSWERS TO CORRESPONDENTS.

I answer to "Alphabetical," in your last issue, for a remedy for consumption in its first stages, I can recommend Dr. Pierce's "Golden Medical Discovery," if taken according to directions, for it has been thoroughly tried in my family, and the results were glorious. "Alphabetical" must not expect one bottle before she could discover any change, but after the third bottle every dose seemed to strengthen the lungs, and now she is well and hearty. If "Alphabetical" will write to me I will get witnesses to the above.

HENRY H. M. PATTEN.

Bryan's Wafers, the great public remedy, have now been in use over twenty years, hence it cannot be said that they are on trial. They have been thoroughly tried, and pronounced (on the authority of those whose lives and health they have preserved) to be a cure, harmless and eminently salutary preparation, and if taken in season will invariably cure colds, coughs, sore throat, and all bronchial affections. One fair trial will convince the most skeptical. Sold by all druggists and country dealers. Price 25c per box.

The Horse.—Of the great number of animals under the control of man, the horse is unquestionably the most serviceable; but it is not strange that so many who own horses and who are dependent on their labour for a living, should neglect to give them that care and attention which their own interest no less than the safety and comfort of the horse demands. The best remedy for horses is "Darley's Condition Powders and Arabian Heave Remedy;" of this there can be no doubt—it is safe and easily given. Remember the name and and see that the signature of Hurd & Co.'s on each package. Northrop & Lyman, Toronto, Ont., proprietors. Sold by all medicine dealers.

Hasty Consumption Cured by Fellows' Hypophosphites.—Carbonear, Newfoundland, Jan 3, 1871.—Mr Jas I Fellowes,—Dear Sir:—I came to this country in May 1869. I found a country-man of mine laboring under some affection of the lungs. I recommended your Syrup tried at the druggists in Harbor Grace, but they thought I was inventing the name at their expense. However, in April, 1870, Mr Edgar Joyce rapidly wasted away with every symptom of quick consumption, so that he was unable to walk across the room, having no appetite, pains in the left side, nervous system unstrung, dry, hacking cough, &c. Fortunately I learned that your Syrup could be obtained at Mr Dearin's, in St John's, and immediately procured some (showed one to W H Thompson, who ordered a supply from you at once.) This was Tuesday afternoon, at night he took the prescribed dose and in the morning he described the very results notified on the wrapper. His appetite soon began to return and a voracious one it was, too; the dry hacking cough changed into loose but violent attacks, finally disappearing altogether; pains left his side, his hand resumed its usual steadiness and before he finished ten bottles his health was quite restored and to day not a more healthy person is to be found on our streets, and it is the opinion of all, had he not ben fortunate in getting your valuable Syrup of Hypophosphites, he would now be in his grave. He happened to be in W H Thompson's the day your first shipment arrived and took at once four bottles to the Labrador, which he was very anxious to do, but had no occasion to use them himself. No other medicine will be ever prescribe, recommend or give but yours. I also recommended it to another, her consumptive but not heard from him since as he lives in a distant part of the Island. Hoping this will give you some encouragement, I remain yours, &c., D H BURRIDGE.

WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—These are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these Dr. Thomas Eclectric Oil. Read the following and be convinced:—Hiram Robinson, Farnham Centre, P.Q., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas Eclectric Oil, and since then have had no attack of it. I would recommend it to all."—J. H Earl, Hotel Keeper, West Shefford, P.Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried on my horses in cases of cuts, wounds, etc., and think it is equally as good for horse as for man."—A. Mayhee, merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and are pronounced by the public, 'one of the best medicines they have never used;' it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence."—Joseph Rusan, Township Percy, writes, "I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit."—A. M. Hogdson, Warkworth, writes, "For weeks I was troubled with a swelled ankle, which annoyed me very much, Mr. Mayhee of this place induced me to try Eclectric Oil, and before one bottle was used I was cured. It is a most remarkable medicine." ☞ Sold by all medicine dealers. Price 50 cents.
