## SPRUCE GUM SYRUP AND Other Patent Remedies of the Sisters of Providence.

THE Sisters of Providence believe it their duty to announce to the public in general, and to Druggists, Grocers and other Merchants in particular, that they have decided, in the interests of the poor, to continue the sale of their various patent medicines notwithstanding the obstacles that have been raised against them, because they have in view only to procure for themselves some means of relieving the suffering members of Jesus Christ, and because they consider, besides, that they are perfectly in the right.

It is, therefore, with supreme regret that they see themselves hindered in the steps which it is necessary that they should take to gain their object, by persons who, not having to occupy themselves with the case of the poor and sick, and who, moreover, have only in view their own interests and those of their families, employ threats of prosecution before the Courts of Justice, and who even have recourse to these and other extreme measures so as to prevent them drawing profits from their industries by preventing them to sell their patent remedies.

As these threats tend to injure infirm persons whom Divine Providence has confided to their care, in dissuading those who have the charity to encourage them from buying these remedies, as they were accustomed to do before they were frightened by such threats, the aforesaid Sisters find themselves obliged to declare publicly that they are determined to endeavour, with all their strength, to multiply, by the sale of these remedies which manufacture, their modest resources for the relief of the unfortunate.

Full of confidence in the justice of their cause and entirely convinced that they infringe on the right of no one soever, they venture to assure all benevolent persons, who are accustomed to encourage them by purchasing the said remedies, that no one can disturb them. They prefer to declare to them that they hold themselves responsible for the damages which would be thus caused, if any should be incurred in his respect.

# FRONTENAC IRON WORKS,

**Rideau St., Kingston.**

**Important to Users of Steam.**

**REASONS**

WHY TANDY'S PATENT BOILER IS SUPERIOR TO ALL OTHERS:

1st.—It is simple in construction, easy to keep clean and less liable to get out of order than any other Boiler.

2nd—It is constructed on sound scientific principles, the water circulating as near as practicable at right angles with the action of the heat.

3rd.—The water circulates inside the tubes which gives double the strength and one third more effective heating surface with the same number and description of tubes when used in an ordinary Boiler.

4th.—It is one third lighter than other Boilers with the same amount of evaporative power and cheaper in a corresponding degree.

5th.—It cannot prime, it gives perfectly dry steam and effects a saving in fuel of at least 30 per cent on any ordinary Boiler.

6th.—It requires no brick work to set it and is applicable to every variety of purpose, both for steam engines and heating buildings by water or steam.

☞ N.B.—I will replace any other boiler now in use with my Patent Boiler and take the saving in fuel in part payment. It can be seen in operation at my Works.

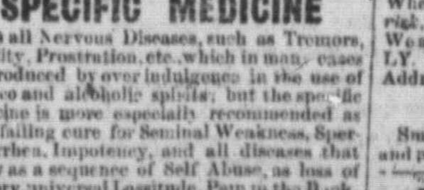
# THE GREAT ENGLISH REMEDY!



## SPECIFIC MEDICINE

Cures all Nervous Diseases, such as Tremors, Debility, Prostration, etc., which in many cases are produced by over indulgence in the use of tobacco and alcoholic spirits; but the specific Medicine is more especially recommended as an unfailing cure for Seminal Weakness, Spermatorrhea, Impotency, and all diseases that follow as a sequence of Self Abuse, as loss of Memory, universal Lassitude, Pain in the Back Dimness of Vision, Premature Old Age, and many other diseases that lead to insanity or Consumption and a premature grave, all of which, as a rule, are first caused by deviating from the path of nature and over indulgence

The Specific Medicine is the result of a life study and many years of experience in treating these special diseases. Full particulars in our pamphlet, which we desire to send free by mail to every one.

The Specific Medicine is sold by all Druggists at $1 per package, or six packages for $5, or will be sent by mail on receipt of the money by addressing
